Re: KCHZ

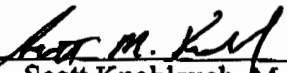

Dear Mr. Dickey:

The purpose of this letter is to advise you that BIA now lists 45 radio stations in the Kansas City, MO-KS radio market. Section 1(c)(i) of that certain KCHZ Trust Agreement by and among CMP KC Corp., CMP Houston-KC, LLC (collectively, "CMP"), and the Kansas City Trust, LLC (the "Trust"), dated November 17, 2005, therefore requires the Trust to assign KCHZ back to CMP.

I will direct the Trust's FCC counsel to coordinate with CMP's counsel so that the necessary assignment application can be prepared and filed with the FCC.

Sincerely,

KANSAS CITY TRUST, LLC
