FCC Form 314

EXHIBIT 1

By this amendment, SCA License Corporation ("SCA") provides this exhibit regarding the scheduling of its local public notice announcements. Due to inadvertent administrative errors, there were delays in the airing and publication of the local public notice announcements. On February 23, 2006, SCA tendered for filing the application for consent to assignment of the broadcast license for WBTK(AM), to assign that license from SCA to Mount Rich Media, LLC. The FCC accepted the application for filing on February 27, 2006. Section 73.3580 of the Commission's rules require the airing of a public notice once per day on four days between 7-9 a.m. or 4-6 p.m. during the second week following the filing of the assignment application. Due to an administrative error, SCA did not air the public notices during this time period. SCA is airing a total of four announcements between 7-9 a.m. or 4-6 p.m. from March 29 to April 1, 2006, and will air at least one announcement on each of these four days. Three of these announcements, on March 29, 30, and 31, have already aired. Section 73.3580 also requires publication of the public notice in a local daily newspaper twice a week for two consecutive weeks in a three-week period, or if there is no daily newspaper, publication in a weekly newspaper once per week for three consecutive weeks. The Richmond Times Dispatch is scheduled to publish the local public notice on April 3, April 6, April 10 and April 13, 2006.
