Seller and Buyer shall thereafter prosecute the Assignment Application with all reasonable diligence and otherwise use their best efforts to obtain the grant of the Assignment Application as expeditiously as practicable. Any filing fees for the Assignment Application shall, if applicable, be paid by the Buyer.
- (c) Due to expiration of the existing tower site lease for the Station, Seller may take the Station silent for a period of time leading up to the Closing Date and not to exceed three hundred (300) days. If requested, Seller agrees to provide a separate writing for submission to the FCC pursuant to 47 C.F.R. § 73.3517(a). Buyer shall be solely responsible for all costs associated with such contingent modification application, including consulting engineer fees and FCC application filing fees.

4. **Closing.** The closing (the “Closing”) of the transactions contemplated by this Agreement shall occur on a date (the “Closing Date”) mutually agreed upon by Buyer and Seller within ten (10) business days after the FCC grant of the Assignment Application has become a Final Order. For purposes of this Agreement, “Final Order” means an action by the FCC that has not been reversed, stayed, enjoined, set aside, annulled, or suspended, and with respect to which

no requests are pending for administrative or judicial review, reconsideration, appeal, or stay, and the time for filing any such requests and the time for the FCC to set aside the action on its own motion have expired.
