Educational Mission of HFR

Holy Family Radio, Inc. (HFR) is a State of Michigan non-profit corporation which was formed to, *inter alia*, engage in educational activities. As noted above, it has been granted tax exempt status pursuant to 26 U.S.C §501(c)(3) by the Internal Revenue Service.

In practice, HFR's educational mission involves the following:

a. For providing regular educational programming designed to teach the Bible and the Catechism of the Roman Catholic Church in a manner which can be utilized by local Roman Catholic schools as well as by the Confraternity of Christian Doctrine educational programs administered by local Roman Catholic parish churches.

b. Working with Roman Catholic educational and contemplative institutions, including but not limited to Franciscan University of Steubenville at

Steubenville, Ohio and Our Lady of the Angels Monastery at Irondale, Alabama, for the presentation of quality educational programming.

c. For providing programming which can be used to train laymen for an active and effectual role in Roman Catholic parish life, such as lector, catechism teacher, etc.

HFR has been implementing this program over WVHF(AM) since December 8, 2010.

Programming In Furtherance of HFR's Educational Mission

Most of the programming to be aired by HFR over WSPB(FM) will come from the radio service of Eternal Word Television Network (EWTN). EWTN is headquartered on the former site of Our Lady of the Angels Monastery in Irondale, Alabama, which was founded and operated by the Roman Catholic order of nuns known as Poor Clares of Perpetual Adoration. The founder of Our Lady of the Angels is Mother M. Angelica, P.C.P.A. The main purpose of EWTN has been described by Mother Angelica as "catechesis": that is, the teaching of the Gospel of Jesus Christ and the Catechism of the Roman Catholic Church.

EWTN's programming is commercial-free, and there is no paid programming which is aired on EWTN. Such programming would be broadcast over WSPB(FM) in a commercial-free manner. Programming consists of the following basic types: (1) rebroadcasts of "Interactive" programs which involve a host or moderator and call-in questions from listeners; (2) recorded programs presented by eminent Roman Catholic professors and scholars dealing with various topics of the Gospels and Roman Catholic catechism (categories 1 and 2 occupy a majority of the broadcast day); (3) Roman Catholic Masses, the Holy

Rosary and various recitations of various devotionals; and (4) news programs known by the title "Catholic World Today" and "The World Over".

The current Holy Family Radio programming schedule, which we expect to implement at WSPB(FM) (although this is subject to change at the time that the station is acquired), is appended hereto.

Thus, the programming to be presented over WSPB(FM) presents a comprehensive daily effort to educate the public, Catholics and non-Catholics, about the tenets and dogmas of the Roman Catholic faith, including the Bible and the systematic Catechism of the Roman Catholic Church. HFR intends to work with local Roman Catholic organizations in the Kalamazoo Diocese (where Bedford is located) to assist their educational efforts with respect to teaching of the Catholic religion. In short, HFR intends to develop WSPB(FM) as a valuable educational resource which will serve the public interest, convenience and necessity.
