In addition, Nassau 2 has attributable interests through the common ownership and control of Louis F. Mercatanti, Jr. in the following applications for construction permit for radio broadcasting stations:

Nassau Broadcasting Holdings, Inc.

Nassau Broadcasting Holdings, Inc., an affiliate of Nassau 2, was the high bidder in the Commission's auction 37 for the following FM allocations (Form 301 long form applications pending):¹

Call Letters	Facility ID Number	Location (City/State)	Class of Service	Application File Number
New	164219	Jefferson, NH	FM	BNPH-20050103AIE
New	164220	Hardwick, VT	FM	BNPH-20050103AIJ

Nassau Broadcasting Partners Limited Partnership

The following broadcast stations are also attributable to NBH, because they are being operated under Time Brokerage Agreements by Nassau Broadcasting Partners Limited Partnership, a commonly controlled affiliate (and the parent of Nassau 2 and Nassau 3):

Call Letters	Class of Service	Facility ID Number	Location (City/State)	Licensee
WFKB	FM	71310	Boyertown, PA	WDAC Radio Company
WWHK ²	FM	8683	Concord, NH	Capitol Broadcasting Corporation

¹ On January 26, 2006, the FCC announced that it was ready to grant the application for Jefferson after full and timely payment of the remaining balance of the applicant's winning bid. See FCC Public Notice "Media Bureau is Prepared to Grant Certain Auction No. 37 Broadcast Construction Permit Applications," DA 06-147, rel. Jan. 26, 2006. The application was subsequently removed from public notice. See FCC Public Notice "Removal of FM Broadcast Construction Permit Application From Prepared to Grant Public Notice," DA 06-312, rel. Feb. 9, 2006.

² The station is attributable because there is a Joint Sales Agreement, which became effective September 30, 2004. Such an JSA is now attributable under the Commission's Rules.
