ARTICLE 1

PURCHASE OF ASSETS

1.1 Transfer of Assets. On the Closing Date (as hereinafter defined), subject to the provisions hereof, Seller shall sell, assign, transfer and convey to Buyer, and Buyer shall purchase and assume from Seller, the below-listed assets, properties, interests and rights of Seller (collectively, “Assets”):

1.3 Allocation. On or before the Closing Date, Seller and Buyer shall mutually determine an allocation of Purchase Price among the Assets that complies with Section 1060 of the Internal Revenue Code of 1986, as amended. If Buyer and Seller have not mutually agreed on an allocation prior to the Closing, and after Closing, the parties cannot agree on an allocation of the Purchase Price, the parties shall hire a certified public accountant or other professional experienced in the evaluation of broadcast properties to determine such allocation, which shall be binding on the parties. The parties shall mutually agree on such an appraiser and shall instruct the appraiser to deliver his report within ninety (90) days after Closing. Buyer and Seller shall each be responsible for one-half of the cost of such appraisal.

1.4 No Liens. The Assets shall be transferred to Buyer free and clear of all liens, encumbrances, debts, security interests, mortgages, trusts, claims, pledges, charges, covenants, conditions, defects in title or restrictions of any kind ("Liens"), except for liens for taxes not yet due and payable; (ii) easements, restrictions, zoning limitations, and other similar matters which will not materially affect the use of any of the Station's transmitter sites in the ordinary course of

business; and (iii) liens listed on Schedule 1.4 that will be released at or prior to the Closing Date (“Permitted Liens”).

ARTICLE 2 ASSUMPTION OF OBLIGATIONS

2.1 Assumption of Obligations. Subject to **Section 2.2**, on the Closing Date, Buyer shall assume and undertake to pay, satisfy and discharge all of the liabilities and obligations of Seller arising or to be performed on or after the Closing Date under the Assumed Contracts, together with the assumed liabilities identified on Schedule 1.4 and all other obligations incurred by Buyer in the operation of the Stations on or after the Closing Date. All of the foregoing assumed liabilities and obligations shall be referred to herein collectively as the “Assumed Liabilities.” Other than the Assumed Liabilities, Buyer shall not assume or be liable for, and does not undertake or attempt to assume or discharge any obligation of Seller.

2.2 Retained Liabilities. Except as set forth in **Section 1.4, Schedule 1.4**, and **Section 2.1**, Buyer expressly does not, and shall not, assume or be deemed to assume, under this Agreement or otherwise by reason of the transactions contemplated hereby, any liability, obligation, commitment, undertaking, expense or agreement of Seller of any nature whatsoever, mortgage or other agreement for borrowed money, whether known or unknown or absolute or contingent. All of such liabilities and obligations shall be referred to herein collectively as the “Retained Liabilities.” Without limiting the generality of the foregoing, it is understood and agreed that, except as expressly set forth herein, Buyer shall have no obligation to offer employment to any employee of Seller or any of the Stations. Buyer shall have no liability with respect to any such employee or for any such employee’s benefits of any kind or nature, including relating to taxes, wages, salaries, bonuses, accrued vacation or sick pay, except to the extent that Buyer shall offer employment to any such employee and then only from and after the time at which such offer shall have been extended by Buyer and accepted by such employee, and subject to the terms and conditions thereof.

ARTICLE 3 CONSIDERATION

3.1 Purchase Price. The purchase price for the sale, assignment, transfer and conveyance of the Assets shall be Eight Million Seven Hundred Thirty One Thousand One Hundred Twenty Five U.S. Dollars (\$8,731,125.00) (“Purchase Price”), payable as follows:

(a) Concurrently with the execution of this Agreement, Buyer shall deliver Eight Hundred Seventy Three Thousand One Hundred Twelve Dollars (\$873,112.00) (“Deposit”) to the Escrow Agent (defined below) in cash via wire transfer from immediately-available funds;

(b) At the Closing (defined below), Buyer shall deliver to Seller Seven Million Eight Hundred Fifty Eight Thousand Thirteen Dollars (\$7,858,013.00) by wire transfer or other immediately available funds, subject to any adjustments as set forth herein or as may be agreed to by Seller and Buyer, except that for a partial Closing, as described in **Section 5.3**, Buyer shall deliver to Seller the amount calculated pursuant to **Section 5.3**;

(c) At the Closing, the Deposit shall be delivered by the Escrow Agent to Seller, the amount thereof credited to Buyer, and applied to the Purchase Price; except that for a partial Closing, as described in **Section 5.3**, Escrow Agent shall deliver to Seller that portion of the Deposit calculated pursuant to **Section 5.3**, and shall retain any remainder of the Deposit in escrow.

3.2 Deposit. Within two (2) business days of the date of this Agreement, Buyer shall deliver the Deposit to Jorgenson Broadcast Brokerage, Inc., as escrow agent ("Escrow Agent") pursuant to the Escrow Agreement ("Escrow Agreement") of even date herewith among Buyer, Seller and Escrow Agent. If this Agreement is terminated by Seller pursuant to **Section 13.1(e)** hereof, the Deposit and any interest accrued thereon shall be disbursed to Seller. If this Agreement is terminated for any other reason, the Deposit and any interest accrued thereon shall be disbursed to Buyer. The parties shall each instruct the Escrow Agent to disburse the Deposit and all interest thereon to the party entitled thereto and shall not, by any act or omission, unreasonably delay or prevent any such disbursement. The Deposit shall be the sole and exclusive recourse of Seller for any breach of this Agreement by Buyer prior to Closing.

3.3 Proration of Income and Expenses. Except as otherwise provided herein or in any TBA, all income and expenses arising from Seller's ownership of the Assets to be conveyed hereunder shall be prorated between Buyer and Seller in accordance with U.S. generally accepted accounting principles as of 12:01 a.m., local time of the location of the Assets, on the Closing Date ("Adjustment Time"), on the basis that all income and expenses which accrue prior to the Adjustment Time are for the account of Seller, and all income and expenses which accrue after the Adjustment Time are for the account of Buyer. Such prorations shall include, without limitation, all rent, utility charges, business and license fees, music and other license fees currently paid by Seller, FCC regulatory fees, accrued but unpaid commissions and similar prepaid and deferred items attributable to the ownership of the Stations or the Assets. All revenues, expenses, costs and liabilities earned or incurred in connection with particular programs and announcements shall be allocated to the time of performance of such programs and announcements without regard to the date of payment therefor. It is understood and agreed that all salaries, wages, sales commissions, fringe benefit accruals and termination or severance pay for employees of Seller who are not hired by Buyer shall be the sole responsibility of Seller.

3.4 Preliminary Report. At least five (5) business days prior to the Closing, Seller shall deliver to Buyer a report ("Preliminary Report") showing in reasonable detail the preliminary determination of the adjustments referred to in **Section 3.3**, each of which shall be calculated as of the Adjustment Time. Within two (2) business days after Buyer's receipt of such Preliminary Report, Buyer shall provide to Seller any material objections, if any, that it may have with respect to Seller's version of the Preliminary Report and provide an alternative Preliminary Report. The Preliminary Report (Seller's or, if delivered, Buyer's version) shall serve as the basis of any adjustments to the Purchase Price. Within sixty (60) days after the Closing Date, Buyer shall deliver to Seller a report ("Final Report") showing in reasonable detail (a) Buyer's final determination of the proposed adjustments to the Purchase Price, (b) all adjustments to the Purchase Price that were not calculated as of the Adjustment Time, and (c) any corrections to any of the estimated adjustments contained in the Preliminary Report, together with appropriate documents substantiating the calculations, determinations and adjustments proposed in the Final

Report. Any resulting payment shall be made to the party entitled thereto within thirty (30) days after notice of such determination thereof has been given to Buyer or Seller, as the case may be. In the event of any disputes between the parties as to adjustments in the Final Report, the amounts not in dispute shall nonetheless be paid at the time provided in this Section and such disputes shall be determined by an independent CPA. The CPA's resolution of the dispute shall be final and binding on the parties, and a judgment may be entered thereon in any court of competent jurisdiction. The fees and expenses of such CPA shall be paid one-half by Seller and one-half by Buyer. In the event Buyer or Seller receive any invoices for expenses after the Final Report which include expenses which are the responsibility of the other party pursuant to **Section 3.3**, the invoice recipient will prepare and deliver to the other party a report ("Proration Report") setting forth the prorated amount owed by the other party. If the other party agrees to the Proration Report, then that party will pay its prorated amount owed within thirty (30) days of receipt. If the other party disagrees with the proration amount, and Buyer and Seller cannot agree upon the prorated amount within thirty days, then the dispute shall be determined by an independent CPA. The CPA's resolution of the dispute shall be final and binding on the parties, and a judgment may be entered thereon in any court of competent jurisdiction. The fees and expenses of such CPA shall be paid one-half by Seller and one-half by Buyer.

ARTICLE 4

FCC CONSENT

4.1 FCC Consent. The transactions contemplated hereby are expressly conditioned on and subject to the prior consent and approval of the FCC to applications seeking consent to the assignment of the FCC Licenses from Seller to Buyer (each, an "FCC Application") without the imposition of any conditions on the assignment of the FCC Licenses which would reasonably be expected to have a material adverse effect on the results of operations of Buyer or the Stations ("FCC Consents").

4.2 FCC Applications.

(a) Within five (5) business days after the date of this Agreement, each party shall prepare, execute and submit its respective portions of the FCC Applications and all information, data, exhibits, resolutions, statements, and other materials necessary and proper in connection with such FCC Applications. Each party further agrees expeditiously to prepare amendments to any of the FCC Applications whenever such amendments are required by the FCC or its rules. Each party shall submit its portion of each FCC Application to the FCC electronically, consistent with the FCC's procedures. The parties shall prosecute the FCC Applications with all reasonable diligence and otherwise use commercially reasonable efforts to obtain the grant of the FCC Applications as expeditiously as reasonably practicable (but no party shall have any obligation to satisfy complainants or the FCC by taking any steps that would have a material adverse effect on the results of operations of a party or any affiliated entity, unless a failure to take such action would constitute or perpetuate a breach of such party's representations, warranties or covenants herein). Except as otherwise provided herein, each party will be solely responsible for the expenses incurred by it in the preparation, filing and prosecution of its respective portion of the FCC Applications, however, the fees to be paid to the FCC in conjunction with the filing of the FCC Applications ("FCC Fees") will be shared equally by Buyer and Seller.

(b) Neither Buyer nor Seller shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of materially delaying the issuance of the FCC Consents, except that if the FCC Consent for any Station has not been issued prior to the date on which the license renewal filing for that Station is due, Seller may file an application with the FCC to renew those Station Licenses for which an FCC Consent has not been issued. Each party agrees to comply with any condition imposed on it by the FCC; provided, however, that no party shall be required hereunder to comply with any condition that would have a material adverse effect on the results of operations of such party or any affiliated entity, unless the absence of such compliance would constitute or perpetuate a breach of such party's representations, warranties or covenants herein. If reconsideration or judicial review is sought with respect to any of the FCC Consents, the party affected shall vigorously oppose such efforts for reconsideration or judicial review; provided, however, such party shall not be required to take any action that would have a material adverse effect on the results of operations of such party or any affiliated entity.

(c) Either party at its option may terminate this Agreement upon five (5) business days' prior written notice to the other party, and without liability to the other party, if the FCC has not granted any of the FCC Applications by the twelve (12) month anniversary of the date hereof, provided that the failure to obtain the applicable FCC Consent(s) shall not have been due to the action or inaction of the party seeking to exercise such termination right. In addition, either party may at its option terminate this Agreement upon five (5) business days' prior written notice to the other party in the event that the FCC should designate a hearing regarding the transaction proposed herein, and such termination shall be without liability to the other party unless the designation of such hearing is the result of the breach of any representation, warranty or covenant contained herein by the terminating party. In the event of termination pursuant to this **Section 4.2(c)**, each party shall bear its own expenses. Nothing in this **Section 4.2(c)** shall be construed to limit a party's right to terminate this Agreement pursuant to Article 13 hereof.

ARTICLE 5 CLOSING

5.1 Closing Date. Except as otherwise mutually agreed upon by Seller and Buyer, or as set forth in **Section 5.3**, the consummation of the transactions contemplated herein ("**Closing**" and the date on which such Closing is held, "**Closing Date**") shall occur within five (5) business days after the date by which all the initial FCC Consents have become a "**Final Order**," (defined below), provided all conditions precedent to the obligations of Buyer and Seller have been met or properly waived. All actions taken at the Closing will be considered as having been taken simultaneously and no such actions will be considered to be completed until all such actions have been completed. For purposes of this Agreement, the term "**Final Order**" shall mean an order of the Commission (including action duly taken by the Commission's staff, pursuant to delegated authority) which is not reversed, stayed, enjoined or set aside, and with respect to which no timely application for stay, reconsideration, review, rehearing or notice of appeal or determination to reconsider or review is pending, and as to which the time for filing any such request, petition, or notice of appeal or for review by the Commission, and for any reconsideration, stay or setting aside by the Commission on its own motion or initiative has expired. Notwithstanding the foregoing,

the parties agree to undertake commercially reasonable efforts to effectuate the Closing on or before November 30, 2019; provided, however, that neither party shall be considered to have breached this provision if the Closing does not occur on or before November 30, 2019 for reason(s) beyond such party's control.

5.2 Closing Location. The Closing shall be held at such location as shall be mutually agreed upon by Seller and Buyer. At the election of Buyer and Seller, mutually agreed in writing, the Closing may be performed by mail, electronically (*i.e.*, via e-mail and/or telephonic facsimile) and/or courier service.

5.3 Closing(s) on Certain Sale Assets. In the event one or more FCC Consents have not been issued (or become Final Order(s)) by the date on which the Closing is scheduled to occur as set forth in **Section 5.1**, or if Buyer elects to postpone the closing of the Assets of one or more Stations pursuant to **Section 14.1**, then the parties shall consummate this transaction on the date on which the Closing is scheduled to occur as set forth in **Section 5.1** associated only with the Assets relating to those Stations for which FCC Consent(s) have been issued (and become Final Order(s)) and for which the Closing has not been postponed pursuant to **Section 14.1**, provided all conditions precedent to the obligations of Buyer and Seller have been met or properly waived with respect to those Assets and Stations. In such case, the Closing deliverables due under **Section 10.1** and **Section 10.2** shall only be those for the Stations and Assets which are the subject of the Closing, and there shall be a hold back from the Purchase Price in an amount specified for the applicable Station(s) listed on **Schedule 5.3** hereto. Such holdback will be apportioned five percent (5%) from the Deposit, which funds will remain in escrow with the Escrow Agent, and ninety-five percent (95%) from the amount otherwise due to be paid by Buyer at Closing. Subsequent to such Closing, the parties will conduct additional Closing(s) with respect to additional Assets and Station(s) within five (5) business days after FCC Consent(s) for such Station(s) have become Final Order(s) or, in the event of a postponement pursuant to **Section 14.1**, the Closing date specified in that Section. At such additional Closing(s), Seller will receive from the Deposit (five percent (5%)) and Buyer (ninety five percent (95%)) the portion of the Purchase Price held back from the prior Closing(s) applicable to the Assets and Station(s) which are the subject of each additional Closing, and the Closing deliverables due under **Section 10.1** and **Section 10.2** shall only be those for the Assets and Station(s) which are the subject of each additional Closing.

ARTICLE 6 REPRESENTATIONS AND WARRANTIES OF SELLER

Seller hereby makes the following representations and warranties to Buyer, as of the date hereof and on each day until the completion of the Closing:

6.1 Organization and Qualification. Each Seller is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and is qualified to do business in each jurisdiction in which the Assets are located. Seller has all necessary corporate power to carry on its business as it is now being conducted.

6.2 Authority.

(a) Each Seller has all necessary power and authority to enter into this Agreement and all other agreements, documents, certificates and instruments delivered or to be delivered hereunder by Seller (collectively, "Seller Documents"), to perform each of its obligations thereunder, and to consummate the transactions contemplated thereby with respect to the Stations and Assets it owns or leases, and the person executing this Agreement on behalf of Seller has been duly authorized by all requisite corporate action of Seller. Each of the Seller Documents has been, or at or prior to the Closing will be, as the case may be, duly executed and delivered by Seller and constitutes, or will constitute at the Closing, as the case may be, a valid and binding obligation of Seller, enforceable against Seller in accordance with its respective terms.

(b) The execution and delivery by Seller of the Seller Documents does not or will not, and the consummation of the transactions contemplated thereby will not: (i) conflict with, or result in a violation of, any provision of Seller's organizational documents; (ii) constitute or result in a breach of or default (or an event which with notice or lapse of time, or both, would constitute a default) under, or result in the termination or suspension of, or accelerate the performance required by, or result in a right of termination, cancellation or acceleration of any contract, or any other material agreement, indenture, covenant, instrument, license or permit by which Seller is bound; (iii) create any Lien, other than Permitted Liens, upon any of the Assets; or (iv) constitute, or result in, a violation of any judgment, ruling, order, writ, injunction, decree, statute, law, rule or regulation applicable to Seller or any of the Assets.

6.3 FCC Licenses.

(a) Schedule 1.1(a) hereto contains a true and complete list of the FCC Licenses (which Schedule shall be updated as of the Closing Date, and the following representations of **Section 6.3** shall then apply to all such FCC Licenses). Each Seller is the authorized legal holder of the FCC Licenses which are described in the "Whereas" clauses of this Agreement as being held by that Seller. The FCC Licenses are in full force and effect, unimpaired by any act or omission of Seller. The FCC Licenses are all of the licenses, permits or other authorizations issued by the FCC necessary to operate the Stations in the manner as such operations currently are conducted and there are no conditions upon the FCC Licenses except those conditions stated thereon or generally applicable to broadcast stations comparable to the Stations. No proceedings are pending or to Seller's knowledge, threatened (other than proceedings applicable to the radio industry as a whole) nor, to Seller's knowledge, do any facts exist which may reasonably result in the revocation, materially adverse modification, non-renewal or suspension of any of the FCC Licenses, the denial of any pending material applications related to the FCC Licenses, or, in any material respect, the issuance of any cease and desist order related to the FCC Licenses, the imposition of any administrative actions by the FCC with respect to the FCC Licenses or which as of the Closing Date may affect Buyer's ability to operate the Stations in accordance with the provisions of the Communications Act of 1934, as amended, and the rules and published policies of the FCC promulgated thereunder (collectively, "Communications Laws"). To Seller's knowledge, no facts, events or circumstances exist or have occurred with respect to Seller or the Stations that would reasonably be likely to cause the FCC not to renew the FCC Licenses in the ordinary course and without undue delay, adverse condition or modification. Seller is not

delinquent on any fees owed to the FCC and its status under the FCC's "red light" system is "green."

(b) Except as disclosed on Schedule 1.1(a) hereof, each Station is operating in material compliance with its associated FCC Licenses and the Communications Laws. Each Seller has filed with the FCC all material reports or applications with respect to the FCC Licenses and the Stations that it owns.

6.4 Tangible Personal Property. Schedule 1.1(b) hereto contains a true and complete list of the Tangible Personal Property. Each Seller (a) is the owner of all of the Tangible Personal Property it purports to own, (b) to Seller's knowledge, has a valid leasehold interest in the Tangible Personal Property it purports to lease, and (c) has a valid license right (whether as a licensor or licensee) in the Tangible Personal Property it purports to license, in all cases free and clear of any Liens, except for Permitted Liens. Except as disclosed on Schedule 1.1(b), each item of Tangible Personal Property is in reasonable operating condition, ordinary wear and tear excepted.

6.5 Assumed Contracts.

(a) Schedule 1.1(c) hereto contains a true and complete list of all Assumed Contracts as of the date of preparation reflected on such schedule. The Assumed Contracts requiring the consent of a third party to assignment are identified on Schedule 1.1(c). Seller is not in violation or breach of, nor has Seller received in writing any claim or threat that it has breached any of the terms and conditions of, any Assumed Contract. Seller has performed its obligations under each of the Assumed Contracts to which it is a party in all material respects, and Seller is not in material default thereunder, and to Seller's knowledge, no other party to any of the Assumed Contracts is in default thereunder in any material respect. Each Assumed Contract is in effect and is binding upon the Seller that is a party thereto and, to Seller's knowledge, the other parties thereto (subject to bankruptcy, insolvency, reorganization or other similar laws relating to or affecting the enforcement of creditors' rights generally). Except as set forth on Schedule 1.1(c), neither Seller nor any Station is a party to or bound by any agreement, contract or commitment which is material to that Station that obligates it to provide advertising time on such Station on or after the Adjustment Time as a result of the failure of such Station to satisfy specified ratings or any other performance criteria, guarantee or similar representation or warranty.

(b) To Seller's knowledge: (i) all real property associated with leases that are Assumed Contracts ("Property") and Seller's activities and operations on such Property are in material compliance with all applicable environmental laws and regulations and zoning, building and other laws and regulations of all governmental authorities having jurisdiction thereof; (ii) for each Station, the buildings and fixtures used in the operation of the Station on its Property are suitable for their intended use as currently used by Seller; and (iii) all utilities necessary for Seller's use of all parcels of Property are installed and in working order and are subject to valid easements. Seller has received no notice that any condemnation proceedings have been instituted or threatened against any parcel of Property.

6.6 Litigation. To Seller's knowledge: (a) Seller is not subject to any judgment, award, order, writ, injunction, arbitration decision or decree with respect to or affecting any Station or

Assets; (b) there is no third party claim, litigation, proceeding or investigation pending or, to Seller's knowledge, threatened against Seller with respect to any Station in any federal, state or local court, or before any administrative agency, arbitrator or other tribunal authorized to resolve disputes; (c) there is no third party claim, litigation, proceeding or investigation pending or, to the best of Seller's knowledge, threatened against Seller with respect to any Station, which is reasonably likely to have a material adverse effect upon the business, assets or condition, financial or otherwise, of such Station or which seeks to enjoin or prohibit, or otherwise questions the validity of, any action taken or to be taken in connection with this Agreement.

6.7 No Other Agreements to Sell the Stations; No Undisclosed Liabilities. Seller has no legal obligation, absolute or contingent, to any other person or firm to sell, assign, or transfer the Assets (whether through a merger, reorganization or sale of stock or otherwise) or to enter into any agreement with respect thereto. To the knowledge of Seller, there are no liabilities or obligations of Seller with respect to any Station that will be binding upon Buyer after the Adjustment Time, other than the Assumed Liabilities.

6.8 Brokers. Other than Jorgenson Broadcast Brokerage, Inc., the broker fee for which Seller shall be solely responsible to pay at the Closing, there is no broker, finder or other person or entity (collectively, "Broker") who would have any valid claim through Seller against any of the parties to this Agreement for a commission or brokerage fee or payment in connection with this Agreement or the transactions contemplated hereby as a result of any agreement of, or action taken by, Seller. Seller agrees to indemnify Buyer for all costs incurred by Buyer arising from the claim of any Broker reasonably related to the transactions contemplated by this Agreement.

6.9 Taxes. (a) Seller has paid all taxes required to be paid with respect to the Stations; (b) there are no pending or, to the best knowledge of Seller, threatened, investigations or claims against Seller for or relating to any liability in respect of taxes and, to the best knowledge of Seller, no facts or circumstances exist which indicate that any such investigations or claims in respect of taxes may be brought or are under discussion with any governmental authorities; and (c) all taxes required to be withheld by Seller on or before the date hereof have been withheld and paid when due to the appropriate agency or authority.

6.10 Bankruptcy. No insolvency proceedings in the nature of bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, by or against Seller or the Assets, are pending or threatened, and Seller has not made any assignment for the benefit of creditors or taken any action in contemplation or in furtherance of the institution of such insolvency proceedings.

6.11 Insurance. Seller maintains insurance policies with respect to the Stations and the Assets in commercially reasonable amounts.

6.12 KFXN Real Property. Seller makes the representations and warranties in this Section 6.12 only if Buyer exercises the option to include the KFXN Real Property as part of the Assets pursuant to **Section 8.10**.

(a) The real property described on Schedule 1.1(e) constitutes a complete and correct summary description in all material respects of all of the interest in real estate relating to the KXFN Real Property.

(b) Seller's present use of the KXFN Real Property is in compliance with all applicable zoning codes, ordinances, rules, regulations, or resolutions in effect as of the date hereof, and Seller has not received any notices of uncorrected violations.

(c) Seller does not owe any money to any architect, contractor, subcontractor or materialman for labor or materials performed, rendered or supplied to or in connection with the KXFN Real Property which shall not be paid in full on or before Closing.

(e) The KXFN Real Property complies in all respects with all applicable federal, state and local laws, ordinances, statutes, rules and regulations in effect as of the Closing Date.

(f) SRP has fee simple title to the KXFN Real Property and full power and authority to transfer the KXFN Real Property to Buyer pursuant to this Agreement, and SRP has not made any agreement (other than this Agreement) for the sale or lease of, or given any person (other than Buyer) an option to purchase or lease or a right of first refusal to purchase or lease, all or any part of SRP's interest in the KXFN Real Property. There are no easements, rights of way, building and use restrictions, exceptions, encroachments, reservations, limitations that, individually or in the aggregate, in any material respect, impair the current use thereof of KFXN.

(h) To the best knowledge of Seller:

(i) No hazardous or toxic substance or waste regulated under any applicable environmental, health or safety law has been generated, stored, transported or released on, in, from or to the KFXN Real Property, other than in compliance with federal, state or local law.

ARTICLE 7

REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby makes the following representations and warranties to Seller, as of the date hereof and on each day until the completion of the Closing:

7.1 Organization, Standing and Power. Buyer is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and is qualified to do business in each jurisdiction in which the Assets are located. Buyer has all necessary corporate power to carry on its business as it is now being conducted.

7.2 Authority.

(a) Buyer has all necessary power and authority to enter into this Agreement and all other agreements, documents, certificates and instruments delivered or to be delivered hereunder by Buyer (collectively, “Buyer Documents”), to perform its obligations thereunder and to consummate the transactions contemplated thereby, and the person executing this Agreement on behalf of Buyer has been duly authorized by all requisite corporate action of Buyer. Each of the Buyer Documents has been, or will be at the Closing, as the case may be, duly executed and delivered by Buyer and constitutes, or will constitute at the Closing, as the case may be, a valid and binding obligation of Buyer, enforceable against Buyer in accordance with its respective terms.

(b) The execution and delivery by Buyer of the Buyer Documents does not or will not, and the consummation of the transactions contemplated thereby will not: (i) conflict with, or result in a violation of, any provision of Buyer’s organizational documents; (ii) constitute or result in a breach or default (or an event which with notice or lapse of time, or both, would constitute a default) under, or result in the termination or suspension of, or accelerate the performance required by, or result in a right of termination, cancellation or acceleration of any contract, or any other material agreement, indenture, covenant, instrument, license or permit by which Buyer is bound; or (iii) constitute, or result in, a violation of any judgment, ruling, order, writ, injunction, decree, statute, law, rule or regulation applicable to Buyer.

(c) Other than the FCC Consents, no consent, approval, order or authorization of, notice to, or registration, declaration or filing with, any governmental entity is necessary in connection with the execution and delivery of any of the Buyer Documents by Buyer or the consummation by Buyer of the transactions contemplated thereby, except filings with the FCC.

7.3 Litigation. Except for administrative rule makings or other proceedings of general applicability to the broadcast industry, there is no litigation, proceeding, judgment, claim, action, investigation or complaint before the FCC, other governmental body or court of any nature, including, without limitation, a grievance, arbitration or insolvency or bankruptcy proceeding, pending or, to Buyer’s knowledge, threatened against or affecting Buyer which would restrain or enjoin the Closing or the consummation of the transactions contemplated hereby.

7.4 Qualification. To Buyer’s knowledge, there is no fact that would, under present law, including the Communications Laws, disqualify Buyer from being the assignee of the Assets or owner of the Stations or that would delay the FCC’s approval of the FCC Applications. Should Buyer become aware of any such fact, it will so inform Seller and will use its best efforts to remove any such disqualification. Buyer will not take, or fail to take, any action that Buyer knows, or has reason to believe, would result in such disqualification.

7.5 No Insolvency. No insolvency proceedings of any character including without

limitation, bankruptcy, receivership, reorganization, composition or arrangement with creditors, voluntary or involuntary, affecting Buyer are pending or, to the knowledge of Buyer, threatened, and Buyer has made no assignment for the benefit of creditors, nor taken any action with a view to, or which would constitute the basis for, the institution of any such insolvency proceedings. Buyer has disclosed to Seller, and Seller has acknowledged, that funds in the amount of the Purchase Price will be provided by a third-party lender and that such lender may insist that the FCC Consents become a Final Order before such funds are provided. Accordingly, Buyer shall not be considered in breach of any of its representations or warranties hereunder if the Closing does not occur prior to November 30, 2019, if such failure is due to the inability of the Buyer to obtain funds to pay the Purchase Price because of its lender's insistence upon the FCC Consents becoming a Final Order. As of the Closing Date, Buyer will have readily available funds in the amount of the Purchase Price in the form of cash on deposit or a loan from a conventional lender.

ARTICLE 8 COVENANTS

Except as otherwise set forth in any TBA, Seller and Buyer, as applicable, covenant and agree that, from the date hereof until the completion of the Closing:

8.1 Operations of the Business.

(a) Before the Closing Date, Seller shall not, without the prior written consent of Buyer:

(i) Sell, lease or transfer or agree to sell, lease or transfer, any Asset except for incidental sales or leases, in the ordinary course of business, or Assets which are being replaced by assets of comparable or superior kind, condition and value, or create, assume or permit to exist any Liens upon the Assets, except for Permitted Liens, and not dissolve, liquidate, merge or consolidate with any other entity;

(v) Take any action that would make the consummation of this transaction contrary to the Communications Laws or require a waiver of the Communications Laws; or

(vi) Authorize or permit any officer, director or employee of Seller, or any investment banker, attorney, accountant or other advisor or representative retained by Seller to, solicit, initiate, encourage (including by way of furnishing information), endorse or enter into any agreement with respect to, or take any other action to facilitate, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any proposal to purchase, directly or indirectly, any of the Stations.

(b) Before the Closing Date, Seller shall:

(i) Maintain and preserve Seller's rights under the FCC Licenses and operate the Stations in the ordinary course of business, in accordance with past practice and in all material respects in accordance with the Communications Laws and with all other applicable laws, regulations, rules and orders and good engineering practices;

(ii) Use commercially reasonable efforts to maintain the Tangible Personal Property in the ordinary course of business;

(iii) Maintain in full force and effect policies of liability and casualty insurance of the same type, character and coverage as the policies currently carried with respect to the business, operations and assets of the Stations;

(iv) Use commercially reasonable efforts to provide Buyer with (and Buyer shall use commercially reasonable efforts to assist Seller to obtain) all necessary consents of the applicable parties identified on Schedule 1.1(c) and the consents of all third parties to the Assumed Contracts which are necessary for assignment to Buyer of such agreements at the Closing. All Assumed Contracts requiring consent to assignment to Buyer prior to Closing are indicated on Schedule 1.1(c) by a plus sign (+). All Assumed Contracts requiring consents to assignment to Buyer that are conditions to Buyer's obligation to close ("Required Consents") are also indicated on Schedule 1.1(c) by an asterisk (*).

8.2 Notice of Proceedings. Either party will promptly notify the other party in writing on: (a) receiving notice of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder; or (b) receiving any notice from any governmental department, court, agency or commission of its intention (i) to institute an investigation into, or institute a suit or proceeding to restrain or enjoin, the consummation of this Agreement or such transactions, or (ii) to nullify or render ineffective this Agreement or such transactions if consummated.

8.3 Publicity. Except insofar as required to comply with the Communications Laws or other law or legal process, neither Seller nor Buyer, nor any of their respective affiliates shall issue or cause the publication of any press release or any other public statement or any correspondence or other communication with respect to the execution and Closing of this Agreement unless the other party shall have had the prior opportunity to review and comment thereon and such release or statement has been consented to by such party.

8.4 Access to Information. From the date hereof to the Closing Date, Seller shall

afford, and shall cause its officers, directors, employees and agents to afford, to Buyer and the officers, employees and agents of Buyer reasonable access at all reasonable times to the Stations, provided, however, that all such access shall require the express consent of Seller.

8.5 Confidentiality.

(a) Each party shall hold, and shall exercise its commercially reasonable efforts to cause its officers, employees, agents and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain such information to hold, in confidence, and not use for any purpose other than evaluating the transactions contemplated by this Agreement, any confidential information of another party obtained through the investigations permitted hereunder, which for the purposes hereof shall not include any information which (i) is or becomes generally available to the public other than as a result of disclosure by the party which alleges the information is confidential or its affiliates, (ii) becomes available to a party on a non-confidential basis from a source, other than the party which alleges the information is confidential or its affiliates, which has represented that such source is entitled to disclose it, or (iii) was known to a party on a non-confidential basis prior to its disclosure to such party hereunder, as evidenced by written records. If this Agreement is terminated, each party shall deliver, and cause its officers, employees, agents, and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain confidential information of another party pursuant to investigations permitted hereunder to deliver to such other party all such confidential information that is written (including copies or extracts thereof), whether such confidential information was obtained before or after the execution hereof and shall continue to preserve, and shall use its reasonable efforts to cause its officers, employees, agents and representatives to continue to preserve, the confidentiality of all such information. All information concerning the Assets or operations of the Stations obtained by Buyer or its affiliates pursuant to or in connection with negotiation of this Agreement will be used by Buyer and its affiliates solely for purposes related to this Agreement and, in the case of nonpublic information, will be kept in strict confidence by Buyer and its affiliates and will not be disclosed except as provided for above.

(b) If a party or a person to whom a party transmits confidential information of another party is requested or becomes legally compelled (by oral questions, interrogatories, requests for information or documents, subpoena, criminal or civil investigative demand or similar process) to disclose any of such confidential information, such party or person will provide the other applicable party with prompt written notice so that such party may seek a protective order or other appropriate remedy or waive compliance with **Section 8.5(a)**. If such protective order or other remedy is not obtained, or if the applicable party waives compliance with **Section 8.5(a)**, the party subject to the request will furnish only that portion of such confidential information which is legally required and will exercise its best efforts to obtain reliable assurance that confidential treatment will be accorded such confidential information

8.6 Notification of Certain Matters. Seller shall give prompt notice to Buyer, and Buyer shall give prompt notice to Seller, of: (i) any oral or written communication from the FCC concerning any of the FCC Applications; (ii) any material inaccuracy in any representation or warranty made by such party, or (iii) any failure of the party to comply with or satisfy any material covenant, condition or agreement to be complied with or satisfied by such party under this

Agreement; provided, however, that no such notification or failure to give notice shall affect the representations or warranties or covenants or agreements of the parties or the conditions to the obligations of the parties hereunder.

8.7 News Releases. Any news releases pertaining to the transactions contemplated hereby shall be reviewed and approved by Buyer and Seller, or their respective representatives, and shall be reasonably acceptable to them prior to the dissemination thereof.

8.8 Control of Stations. Between the date of this Agreement and the Closing Date, Buyer shall not control, manage or supervise the operation of the Stations or conduct of its business, all of which shall remain the sole responsibility and under the control of Seller.

8.9 Actions. After Closing, Buyer shall reasonably cooperate with Seller, at Seller's sole cost and expense, in the investigation, defense or prosecution of any action which is pending or threatened against Seller or its affiliates with respect to any of the Stations, whether or not any party has notified the other of a claim for indemnification with respect to such matter. Without limiting the generality of the foregoing, Buyer shall make available its employees to give depositions or testimony and shall furnish all documentary or other evidence that Seller may reasonably request.

8.10 Option to Include KXFN Transmitter Site in Assets. Buyer shall have the right to have the KXFN Real Property included as part of the Assets to be conveyed to Buyer at Closing, by providing Seller with written notice of its election to so include the KXFN Real Property at least ten (10) days prior to the Closing Date. Buyer's election to include or not include the KXFN Real Property as part of the Assets shall not change the Purchase Price of the Assets.

ARTICLE 9 CONDITIONS

9.1 Conditions Precedent to Obligations of Buyer. The obligations of Buyer to consummate the transactions contemplated by this Agreement are subject to the fulfillment, prior to or at the Closing, of each of the following conditions, except to the extent Buyer shall have waived in writing satisfaction of such condition (in the event of a Closing pertaining to only certain Stations and Assets pursuant to **Section 5.3**, then the following conditions apply only to those Assets and Stations which are the subject of that Closing):

(a) The representations and warranties made by Seller in this Agreement shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as if each such representation or warranty was made at and as of such time, except in respect of such changes as are contemplated or permitted by this Agreement or changes that are not materially adverse to the Stations or the Assets taken as a whole.

(b) Seller shall have performed and complied in all material respects with all covenants, agreements, representations, warranties and undertakings required by this Agreement to be performed or complied with by Seller prior to the Closing.

(c) No governmental or judicial authority shall have enacted, enforced, issued or entered any law, rule, regulation or order, including in connection with any action or proceeding brought by a third party (not subsequently dismissed, settled or otherwise terminated), which prohibits or invalidates the transactions contemplated by this Agreement or any other Seller Document or prevents, limits, restricts or impairs the ownership, use or operation of the Assets by Buyer, other than an action or proceeding instituted by Buyer.

(d) Seller shall have delivered to Buyer all of the documents required by **Section 10.1** hereof.

(e) The FCC Consents shall have been issued by the FCC without any condition materially adverse to Buyer, and shall each have become a Final Order.

(f) All Liens, other than Permitted Liens, shall have been released, as evidenced by payoff letters from any party holding a Lien to be released at the Closing, and releases or UCC-3 termination statements sufficient to terminate Liens on the Assets acquired at such Closing.

(g) All Required Consents shall have been obtained.

(h) Each Station shall be operating with at least eighty five percent (85%) of its licensed effective radiated power.

9.2 Conditions Precedent to Obligations of Seller. The obligations of Seller to consummate the transactions contemplated by this Agreement are subject to the fulfillment, prior to or at the Closing, of each of the following conditions, except to the extent Seller shall have waived in writing satisfaction of such condition (in the event of a Closing pertaining to only certain Stations and Assets pursuant to **Section 5.3**, then the following conditions apply only to those Assets and Stations which are the subject of that Closing):

(a) The representations and warranties made by Buyer in this Agreement shall be true and correct in all material respects at and as of the Closing Date with the same force and effect as if each such representation or warranty was made at and as of such time, except in respect of such changes as are contemplated or permitted by this Agreement or changes that are not materially adverse to Seller.

(b) Buyer shall have performed and complied in all material respects with all covenants, agreements, representations, warranties and undertakings required by this Agreement to be performed or complied with by it prior to the Closing.

(c) No governmental or judicial authority shall have enacted, enforced, issued or entered any law, rule, regulation or order, including in connection with any action or proceeding brought by a third party, (not subsequently dismissed, settled, or otherwise terminated) which prohibits or invalidates the transactions contemplated by this Agreement or any other Buyer Document, other than an action or proceeding instituted by Seller.

(d) The FCC Consents shall have been issued by the FCC without any condition materially adverse to Seller.

(e) Buyer shall have delivered to the documents required by **Section 10.2** hereof and Seller shall have received payment of the Purchase Price with the form of payment set forth in **Section 3.1**.

ARTICLE 10 CLOSING DELIVERIES

10.1 Seller's Deliveries. At the Closing, Seller shall deliver or cause to be delivered the following:

- (a) a Bill of Sale for the Tangible Personal Property;

- (h) such other documents to be delivered by Seller hereunder as are reasonably necessary for Buyer to effectuate and document the transactions contemplated hereby.

10.2 Buyer's Deliveries. At the Closing, Buyer shall deliver or cause to be delivered the following:

(e) The Purchase Price; and

(f) such other documents to be delivered by Buyer hereunder as are reasonably necessary for Seller to effectuate and document the transactions contemplated hereby.

ARTICLE 11 FEES AND EXPENSES

11.1 Expenses. Each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation and preparation of the Agreement and the transactions contemplated thereby.

11.2 Transfer Taxes and Similar Charges; FCC Fees. Except as set forth below, each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation and preparation of this Agreement and the transactions contemplated thereby. Seller and Buyer shall each pay one-half of all fees for recordation, transfer, stamp and documentary taxes, and any excise, sales or use taxes imposed by reason of the transfer of the Assets in accordance with this Agreement. If any amount paid by Seller or Buyer on account of the fees and expenses pursuant to this **Section 11.2** is in excess of one-half thereof, the party that paid such excess amount shall be entitled to prompt reimbursement of such amount (plus all reasonable and documented attorneys' fees and expenses incurred in connection with enforcing this provision in the event of a dispute between Seller and Buyer, if any) from the other. Any FCC filing or grant fees imposed by any governmental authority shall be borne equally by Buyer and Seller.

ARTICLE 12 SURVIVAL AND INDEMNIFICATION

12.1 Survival of Representations and Warranties. All representations and warranties made in this Agreement shall survive the Closing for a period of twelve (12) months from the Closing Date (or, if there are multiple Closings pursuant to **Section 5.3**, twelve (12) months from the Closing Date for representations and warranties pertaining to Assets and Stations transferred on such Closing Date), except (a) those under **Sections 6.1** and **6.2** (Seller Organization and Authority), and **Section 6.9** (Taxes), all of which shall survive until the expiration of any applicable statute of limitations; (b) those with respect to title to the Assets, which shall survive indefinitely, and (c) that if within such applicable period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim, then such claim shall survive until the earlier of resolution of such claim or expiration of the applicable statute of limitations. The right of any party to recover Damages (as hereinafter defined) on any Claim (as hereinafter defined) shall not be affected by the termination of any representations and warranties as set forth above, provided that notice of the existence of such claim has been given by the Indemnified Party (as hereinafter defined) to the Indemnifying Party (as hereinafter defined) prior to such termination. The term "Claim" means any demand, suit,

claim or assertion of liability by the Parties or a third party that is subject to indemnification by the indemnifying party under this Agreement. Notwithstanding anything contained herein to the contrary, **Sections 3.1(a)** (Deposit) (and **Section 13.2** with respect to the Deposit), **8.5** (Confidentiality) and **13.2** (relating to expenses) shall survive any termination of this Agreement.

12.2 Indemnification.

(a) Subject to **Section 12.2(b)**, from and after Closing, Seller shall indemnify and hold harmless Buyer and its shareholders, officers, managers, agents, employees and affiliates (hereafter collectively "Agents") from and against any liability, loss, cost, expense, judgment, order, settlement, obligation, deficiency, claim, suit, proceeding (whether formal or informal), investigation, Lien or other damage, including reasonable attorney's fees and expenses (all of the foregoing items for purposes of this Agreement are referred to as "Damages" and are not limited to matters asserted by third-parties against a party, but includes Damages incurred or sustained by a party caused by breach or default by the other party), resulting from, arising out of or incurred with respect to:

(i) a breach of any warranty, representation of Seller contained in this Agreement or in any certificate or other instrument furnished to Buyer pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

(ii) a breach of any covenant or agreement of Seller contained in this Agreement;

(iii) operation of the Stations by Seller prior to the Closing;

(iv) any Retained Liabilities;

(v) Noncompliance by Seller with the provisions of the Bulk Sales Act and similar laws of any state or jurisdiction, if applicable, in connection with the transactions contemplated hereby; or

(vi) any and all actions, suits or proceedings incident to any of the foregoing.

(b) Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Seller shall have no liability to Buyer under **Section 12.2(a)(i)** except to the extent Buyer's aggregate Damages exceed one percent (1%) of the Purchase Price, and (ii) the maximum aggregate liability of Seller under **Section 12.2(a)** shall be an amount equal to the Purchase Price.

(c) Subject to **Section 12.2(d)**, from and after Closing, Buyer shall indemnify and hold Seller and its Agents harmless from and against any Damages resulting from, arising out of, or incurred with respect to:

(i) a breach of any warranty, representation of Buyer contained in this Agreement or in any certificate or other instrument furnished to Seller pursuant to this Agreement or in connection with any of the transactions contemplated hereby;

Agreement;

- (ii) a breach of any covenant or agreement of Buyer contained in this Agreement;
- (iii) any Assumed Liabilities;
- (iv) operation of the Stations by Buyer after the Closing; or
- (v) any and all actions, suits or proceedings incident to any of the foregoing.

(d) Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Buyer shall have no liability to Seller under **Section 12.2(c)(i)** except to the extent Seller's aggregate Damages exceed one percent (1%) of the Purchase Price, and (ii) the maximum aggregate liability of Buyer under **Section 12.2(c)** shall be an amount equal to the Purchase Price.

12.3 Procedures.

(a) Promptly after the receipt by Buyer, Seller or any of their respective Agents ("Indemnified Party") of notice of (a) any Claim or (b) the commencement of any action or proceeding which may entitle such party to indemnification under this Section, such Indemnified Party shall give the other party hereto, as applicable ("Indemnifying Party"), written notice of such Claim or the commencement of such action or proceeding and shall permit the Indemnifying Party to assume the defense of any such Claim, or any litigation or proceeding resulting from such Claim. The failure to give the Indemnifying Party timely notice under this subsection shall not preclude the Indemnified Party from seeking indemnification from the Indemnifying Party unless, and then only to the extent, such failure has materially prejudiced the Indemnifying Party's ability to defend the Claim, litigation or proceeding. Notwithstanding the foregoing, notice must be given to the Indemnifying Party within the applicable survival period specified in **Section 12.1** for the Indemnified Party to be entitled to indemnification. Failure by the Indemnifying Party to notify an Indemnified Party of its election to defend any such claim, litigation or proceeding by a third party within thirty (30) days after notice thereof shall have been given to the Indemnifying Party shall be deemed a waiver by the Indemnifying Party of its rights to defend such Claim, litigation or proceeding.

(b) If the Indemnifying Party assumes the defense of any such Claim, litigation or proceeding resulting therefrom, the Indemnifying Party shall take all steps necessary in the defense or settlement of such Claim, litigation or proceeding resulting therefrom and hold the Indemnified Party harmless from and against any Damages caused by or arising out of any settlement approved by the Indemnifying Party or any judgment in connection with such Claim, litigation or proceeding resulting therefrom; however, the Indemnified Party may participate, at its own cost and expense, in the defense of such Claim, litigation or proceeding provided that the Indemnifying Party shall direct and control the defense of such Claim, litigation or proceeding. The Indemnified Party shall cooperate and make available all books and records reasonably necessary and useful in connection with the defense. Except with the prior written consent of the Indemnified Party, the Indemnifying Party shall not, in the defense of such Claim, or any litigation or proceeding resulting therefrom, consent to the entry of any judgment (other than a judgment of

dismissal on the merits without cost) or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all Damages in respect of such Claim, litigation or proceeding.

(c) If the Indemnifying Party shall not assume the defense of any such Claim, litigation or proceeding resulting therefrom, the Indemnified Party may, but shall have no obligation to, defend against such Claim, litigation or proceeding in such manner as it may deem appropriate, and the Indemnified Party; provided, however, that the Indemnified Party may not compromise or settle such Claim, litigation or proceeding without the Indemnifying Party's prior written consent.

(d) Except as provided to the contrary in this Agreement, after the Closing the right to indemnification pursuant to Article 12 shall be the sole and exclusive remedy of each party in connection with any breach or other violation by the other party of its representations, warranties, or covenants contained in this Agreement.

(e) After Closing, all claims for breach of representations or warranties under this Agreement shall be subject to the limitations set forth in **Sections 12.2(b) and 12.2(d)**.

ARTICLE 13

TERMINATION RIGHTS

13.1 Termination. In addition to any termination rights provided for in other sections of this Agreement, this Agreement may be terminated, by written notice given by any party (provided such party is not then in material breach of any of its representations, warranties, covenants or duties hereunder) to the other party hereto, at any time prior to the Closing Date as follows:

(a) By mutual written consent of the parties;

(b) By either Buyer or Seller if a court of competent jurisdiction or governmental, regulatory or administrative agency or commission shall have issued an order, decree or ruling or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become a Final Order;

(c) By either Buyer or Seller, as specifically provided in **Section 4.2(c)** hereof;

(d) By Buyer, if Seller fails to perform in any material respect or materially breaches any of its material representations, warranties, covenants or duties under this Agreement, and Seller has not cured such failure to perform or breach within thirty (30) days after delivery of written notice from Buyer (a "Seller's Breach"), and there also is not a Buyer's Breach (defined below) at the time of the purported termination by Buyer, provided however that such opportunity to cure shall not apply to the failure of Seller to perform its obligations set forth in **Section 10.1** herein;

(e) By Seller, if Buyer fails to perform in any material respect or materially breaches any of its material obligations, representations, warranties, covenants or duties under this Agreement, and Buyer has not cured such failure to perform or breach within thirty (30) days after delivery of written notice from Seller, (a “Buyer’s Breach”), and there also is not a Seller’s Breach at the time of the purported termination by Seller, provided however that such opportunity to cure shall not apply to the failure of Buyer to perform its obligations set forth in **Section 10.2** herein;

(f) By Buyer (provided it is not in default hereunder), if the conditions set forth in **Section 9.1** with respect to the Stations for which FCC Consents have been issued and the Assets related thereto, have not been satisfied for any of those Stations by a date that is six (6) months from the date of issuance the first of the FCC Consents (subject to **Sections 13.4 and 13.5**), provided that Buyer’s right to terminate this Agreement under this **Section 13.1(f)** shall not apply if Seller’s inability to fulfill all of the conditions set forth in **Section 9.1** are due to the action or inaction of Buyer; or

(g) By Seller (provided it is not in default hereunder), if the conditions set forth in **Section 9.2** with respect to the Stations for which FCC Consents have been issued and the Assets related thereto, have not been satisfied for any of those Stations by a date that is six (6) months from the date of issuance of the first of the FCC Consents (subject to **Sections 13.4 and 13.5**), provided that Seller’s right to terminate this Agreement under this **Section 13.1(g)** shall not apply if Buyer’s inability to fulfill all of the conditions set forth in **Section 9.2** are due to the action or inaction of Seller.

13.2 Effect of Termination. Upon termination of this Agreement, neither Buyer nor Seller shall have any liability to the other party, and this Agreement in its entirety shall be deemed null, void, and of no further force and effect, except as provided in **Section 12.1** and this **Section 13.2**. In the event of termination of this Agreement, each party shall bear its own expenses. Upon a termination of this Agreement by Seller pursuant to **Section 13.1(e)**, Seller’s sole remedy for a breach by Buyer shall be to receive from the Escrow Agent and retain the Deposit as liquidated damages. Seller and Buyer each acknowledge that these liquidated damages are reasonable in light of the anticipated harm that would be caused by Buyer’s breach of any of its material obligations under this Agreement and the difficulty of ascertaining damages and proof of loss and that these damages are not a penalty.

13.3 Specific Performance as Remedy for Seller’s Breach. Seller acknowledges and agrees that the Assets are unique assets not readily available on the open market, and in the event Seller shall fail to perform its obligations to consummate the transactions contemplated hereby, Seller acknowledges that money damages alone cannot adequately compensate Buyer for its injury and therefore Buyer shall be entitled to the remedy of specific performance, in addition to any other remedies it may seek at law or at equity, and Seller shall waive any and all defenses that Buyer has an adequate remedy at law. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and the prevailing party in litigation shall be entitled to receive from the non-prevailing party all court costs, attorneys’ fees and other out-of-pocket expenses incurred by the prevailing party in enforcing or defending its rights under this provision

13.4 Termination as to Certain Assets and Stations Following Partial Closing. If one or more Closings have occurred pursuant to **Section 5.3**, and there remain Assets and Station(s) for which Closing(s) have not yet occurred then, in lieu of the termination rights as to the Agreement in its entirety provided for in other sections of this Agreement, this Agreement may be terminated, by written notice given by any party (provided such party is not then in material breach of any of its representations, warranties, covenants or duties hereunder) to the other party hereto, at any time prior to the Closing Date solely for such Assets and Station(s) as follows:

- (a) By mutual written consent of the parties;
- (b) By either Buyer or Seller if a court of competent jurisdiction or governmental, regulatory or administrative agency or commission shall have issued an order, decree or ruling or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting the remaining transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become a Final Order;
- (c) By either Buyer or Seller, as specifically provided in **Section 4.2(c)** hereof;
- (d) By Buyer, if there has been a Seller's Breach, and there also is not a Buyer's Breach at the time of the purported termination by Buyer, provided however that such opportunity to cure shall not apply to the failure of Seller to perform its obligations set forth in **Section 10.1** herein;
- (e) By Seller, if there has been a Buyer's Breach, and there also is not a Seller's Breach at the time of the purported termination by Seller, provided however that such opportunity to cure shall not apply to the failure of Buyer to perform its obligations set forth in **Section 10.2** herein.
- (f) By Buyer (provided it is not in default hereunder), if the conditions set forth in **Section 9.1** with respect to any Station for which the FCC Consent has been issued and the Assets related thereto, have not been satisfied by a date that is six (6) months from the date of issuance the FCC Consent provided that Buyer's right to terminate this Agreement as to that Station and the Assets related thereto under this **Section 13.4(f)** shall not apply if Seller's inability to fulfill all of the conditions set forth in **Section 9.1** are due to the action or inaction of Buyer; or
- (g) By Seller (provided it is not in default hereunder), if the conditions set forth in **Section 9.2** with respect to any Station for which FCC Consent have been issued and the Assets related thereto, have not been satisfied for by a date that is six (6) months from the date of issuance of the FCC Consent, provided that Seller's right to terminate this Agreement as to that Station and the Assets related thereto under this **Section 13.4(g)** shall not apply if Buyer's inability to fulfill all of the conditions set forth in **Section 9.2** are due to the action or inaction of Seller.

13.5 Effect of Termination as to Certain Assets and Stations Following Partial Closing. If such a termination occurs under **Section 13.4**, neither Buyer nor Seller shall have any liability or further obligation to the other party with respect to those Assets and Stations, and this Agreement shall remain in effect only as to the Assets and Stations for which no termination

occurred, except that it will also remain in effect for the terminated Assets and Stations as provided in **Section 12.1** and this **Section 13.5**. Upon a termination of this Agreement as to certain Assets and Stations by Seller pursuant to **Section 13.1(e)**, Seller's sole remedy for a breach by Buyer shall be to receive from the Escrow Agent and retain that portion of the Deposit pertaining to those Assets and Stations as liquidated damages. Seller and Buyer each acknowledge that these liquidated damages are reasonable in light of the anticipated harm that would be caused by Buyer's breach of any of its material obligations under this Agreement and the difficulty of ascertaining damages and proof of loss and that these damages are not a penalty.

ARTICLE 14 MISCELLANEOUS PROVISIONS

14.1 Risk of Loss. The risk of loss to any of the Assets on or prior to the Closing Date shall be upon Seller. Seller shall use all commercially reasonable efforts to repair or replace any damaged or lost Assets. In the event that any Asset suffers damage prior to the Closing Date and such Asset is not repaired or replaced by Seller prior to the Closing Date, Buyer shall have the option (i) to consummate this transaction on the Closing Date and Seller shall assign to Buyer all proceeds of insurance it receives covering the damaged Asset(s) (less all reasonable costs and expenses, including without limitation attorneys' fees, incurred by Seller to collect such amounts) not previously expended by Seller to repair or replace the damaged Asset(s), and Buyer shall accept the damaged Asset(s) in their damaged condition, or (ii) if such damage or destruction materially disrupts Station operations, then Buyer may postpone Closing with respect to that Station until the date five (5) business days after operations are restored in all material respects, subject to **Section 13.1**.

14.2 Assignment. This Agreement shall be binding upon and inure to the benefit of and shall be enforceable by Buyer and Seller and their respective proper successors and assigns. This Agreement (and any rights, obligations or liabilities hereunder) may not be assigned or delegated in whole or in part by any party without the prior written consent of the other party; provided, however, that Buyer may assign its rights under this Agreement to an entity under common control with Buyer.

14.3 Headings. The headings set forth in this Agreement are for convenience only and will not control or affect the meaning or construction of the provisions of this Agreement.

14.4 Governing Law; Jurisdiction; Venue. This Agreement and the rights of the parties hereto shall be governed, construed and interpreted in accordance with the internal laws of the State of California, without giving effect to the choice of law principles thereof. Jurisdiction and venue for any action arising from or in relation to this Agreement or any provision hereof shall be exclusively in a federal or local court located in or near Ventura, California, and each party hereby submits to the jurisdiction of and venue in any such court as the agreed exclusive jurisdiction and venue for any such action.

14.5 Amendment. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

14.6 Severability. In the event that any one or more of the provisions contained in this Agreement or in any other instrument referred to herein, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, then to the maximum extent permitted by law, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or any other such instrument.

14.7 Neutral Construction. The language used in this Agreement will be deemed to be language chosen by the parties to express their mutual intent. In the event an ambiguity or question of intent arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any person or entity by virtue of the authorship of any of the provisions of this Agreement.

14.8 Further Assurances. After Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

14.9 Notices. Unless applicable law requires a different method of giving notice, any and all notices, demands or other communications required or desired to be given hereunder by any party shall be in writing. Assuming that the contents of a notice meet the requirements of the specific Section of this Agreement which mandates the giving of that notice, a notice shall be validly given or made to another party if served either personally or if transmitted by facsimile or electronic mail or if sent by overnight courier service, and if addressed to the applicable party as set forth below. If such notice, demand or other communication is served personally, service shall be conclusively deemed given at the time of such personal service. If such notice, demand or other communication is delivered to FedEx (Federal Express), or any other nationally recognized overnight delivery service for next morning delivery or when dispatched by facsimile transmission (with the facsimile transmission confirmation being deemed conclusive evidence of such dispatch), service shall be deemed given as of the date of delivery, or sent by electronic mail with such notice attached in Portable Document Format (PDF) provided that no automatic response relating to the addressee's absence is received and that such notice is also sent by U.S. mail with requests for delivery and read receipts, the return of such receipts being deemed conclusive evidence of such dispatch, service shall be deemed given as of three days following the date of mailing of the notice by U.S. mail, in each case addressed to the persons, parties or entities as follows:
