Re: Tanana Valley Television Company, FRN 0001-5687-24, K13XD-CA, Facility
ID # 64596, Fairbanks, Alaska, Request for Extension of Special Temporary
Authorization ("STA"), BESTA-20050725AHE

Dear Ms. Dortch:

Tanana Valley Television Company ("Tanana Valley"), through counsel, hereby requests a further extension of the above-referenced STA extension granted August 3, 2005, and expiring February 19, 2006. The current STA allows Tanana to operate K13XD-CA with the higher power facilities specified in its pending application for a full-power station in Fairbanks (BPCT-19960920LC) pending the Commission's further review of the television local ownership rule.

Grant of this STA extension request would serve the public interest by permitting the citizens of Fairbanks to continue enjoying the level of full-power television service contemplated by the Commission's allocation rule while the Commission considers changes to its duopoly rule that could help resolve Tanana Valley's pending request for permanent waiver of that rule.
