Salem Communications Corporation proposes common ownership of four Jacksonville area radio stations: WBGB 106.5 FM, Ponte Vedra Beach; WJGR 1320 AM, Jacksonville; WZAZ 1400 AM, Jacksonville and WZNZ 1460 AM, Jacksonville.

This multiple ownership study is to ensure compliance with the Code of Federal Regulations Chapter 47, Part 73.3555 that outlines the conditions under which one licensee may own radio stations in a common market.

Exhibit 1 is a map showing the principal community contours of the four Jacksonville stations under study. The contours do in fact overlap each other. One is FM service and three are AM service stations. Also shown on Exhibit 1 is the 5 mV/m contour proposed for a new AM station at Nassau Village-Ratliff, Florida (BNP-20010817AAF). A shareholder of Salem Communications Corporation, Nancy Epperson, controls fifty percent of the applicant for the new permit. If granted, the new permit would be attributable to Salem.

Exhibit 2, attached, is a list of 32 radio stations, including the stations subject to this application, WBGB, WJGR, WZAZ and WZNZ, and 28 other radio stations whose principal community contours overlap those of the stations subject to this application.

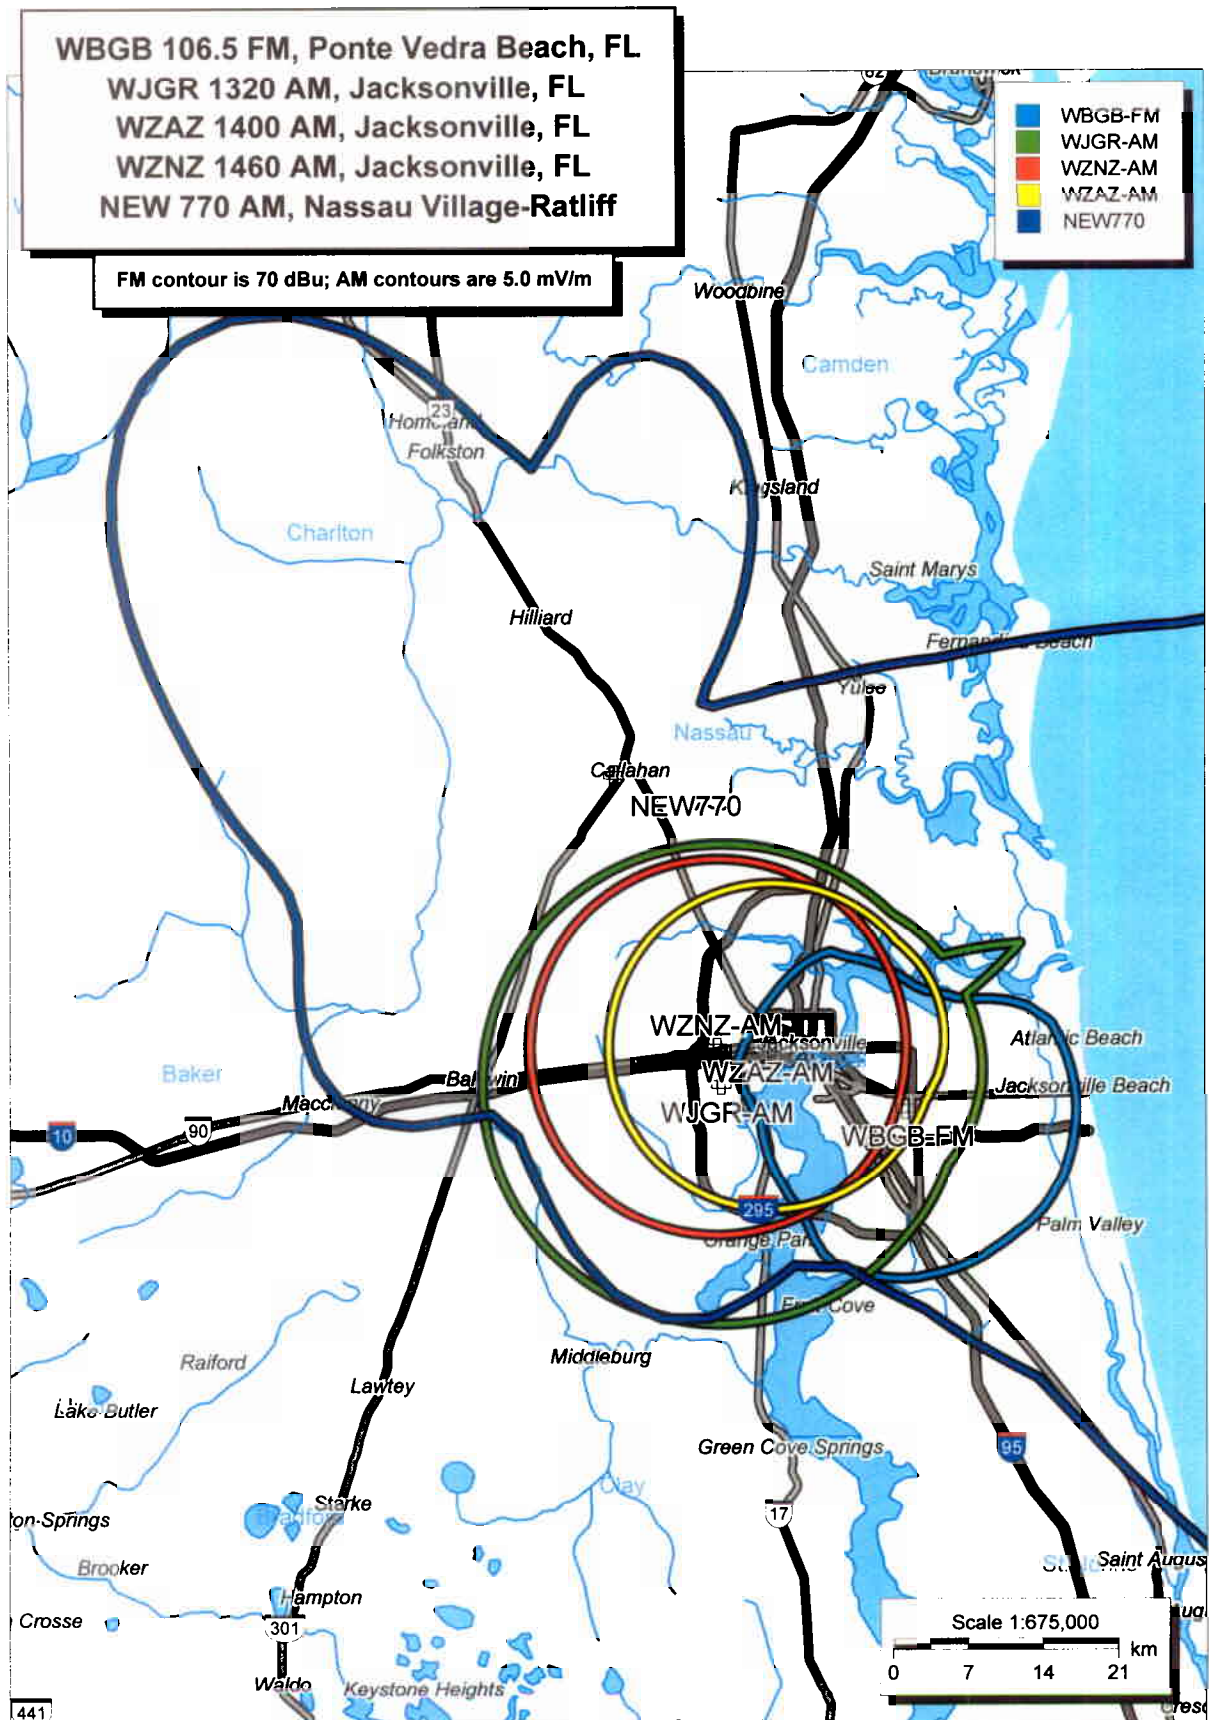

47 CFR 73.3555 (a)(1) (ii) says "In a radio market with between 30 and 44 commercial radio stations, a party may own, operate, or control up to 7 commercial radio stations, not more than 4 of which are in the same service (AM or FM)."

Therefore, common ownership of WBGB, WJGR, WZAZ and WZNZ (and, if granted, the new AM station at Nassau Village-Ratliff) is in accordance with the Commission's multiple ownership rules.

Under penalty of perjury I declare the foregoing is correct.

Debbie Webber  
Technical Research Assistant  
Salem Communications Corp.
