

ADDENDUM 1 TO EXHIBIT 19

COMPLIANCE WITH OWNERSHIP RULES

In Section IV of Exhibit 19, the Applicants requested a temporary extension of the waiver of the local television ownership rule for the common ownership of three television stations in the Los Angeles, California DMA: KNBC (an NBC network station licensed to Los Angeles), KVEA (a Telemundo network station licensed to Corona), and KWHY-TV (an independent Spanish-language station licensed to Los Angeles) to accommodate the proposed joint venture transaction between Comcast and GE.¹ Specifically, Applicants committed that within six months of closing the proposed joint venture transaction, the Applicants would either: (1) divest one of the stations, or (2) place one of the stations in a divestiture trust.

By this Addendum, the Applicants hereby withdraw their request for an additional six months after the closing in which to divest one of the three television stations in the Los Angeles, California DMA. Instead, the Applicants hereby commit to: (1) divest one of the stations to a third party prior to the consummation of the proposed joint venture transaction, or (2) place one of the stations in a divestiture trust at closing, in either case pursuant to prior Commission consent.

By this Addendum, the Applicants hereby also conform all other relevant references in the Application, including the Public Interest Statement, to comport with this Addendum.²
