**Subject:** Re: WNJC(AM) (BSTA-20180301AAA)

Hi Jerry,

We have been able to make all the repairs necessary and we are operating the station to its licensed parameters. With that being said, we no longer have a need for a STA. Thank you for getting back in touch with us.

John Hamann

WNJC 1360 AM CE

Mr. Hamman,

Just following up on the pending WNJC(AM) STA request. Do you plan on filing a new STA request?

Jerry
