Request For Special Temporary  
Authority To Remain Silent

Dear Mr. Parrish:

This letter concerns the request, filed on January 5, 2010, on behalf of Edgewater Broadcasting Inc. ("Edgewater"), for Special Temporary Authority to permit FM Translator Station W205CI to remain silent.

Edgewater's request states that W205CI went silent on January 4, 2010, pending the outcome of a petition of reconsideration of the grant of a minor modification of license application for the station. Edgewater's request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988<sup>1</sup>

Edgewater's request will be granted. Accordingly, Special Temporary Authority is granted to permit Station W205CI to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for W205CI will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m. , January 5, 2011.**<sup>2</sup> See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

---

<sup>1</sup> In the event extension of Special Temporary Authority is sought, please renew the certification in this manner.

<sup>2</sup> Notification of resumption of broadcast operations must be mailed to:

Federal Communications Commission  
Attn: 1800B3-DW, Room 2-B450  
445 12<sup>th</sup> Street, S.W.  
Washington, D.C. 20554

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. *See* 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,

H. Taft Snowdon
