Subject: KBUU-LP BSTA-20200317AAJ granted 3/18

Special Temporary Authority For a Radio Broadcast Station
Audio Division, Media Bureau

Date: March 18, 2020
File Number: BLSTA-20200317AAI
Call Sign: KBUU-LP (FL)
Facility ID Number: 195574

As requested in the March 17, 2020 STA request, Special Temporary Authority IS GRANTED for noncommercial educational, low power FM station KBUU-LP to temporarily relay noncommercial educational station KCRW, as appropriate. This will facilitate the dissemination of critical information to the Malibu area during the COVID-19 (coronavirus) pandemic and the related national, state, and local emergencies.

When relaying KCRW, KBUU-LP must include station IDs similar to “KBUU-LP, Malibu, California, relaying station KCRW under Special Temporary Authority from the FCC.” (You are welcome to change the wording, so long as the intent remains the same.) At least one such announcement must be made hourly, during the periods when KBUU-LP is relaying KCRW.

This STA authority expires **June 19, 2020, or at the end of the national emergency, whichever is earlier.** An extension request may be considered if the emergency persists.

Considerations:

Licensee must take all steps to ensure that workers and the public are not exposed to radiofrequency exposure in excess of the Commission’s exposure limit.

This Special Temporary Authority does not supersede any non-FCC-regulated requirements applicable to the STA-authorized facility. The licensee remains solely and wholly responsible for maintaining compliance with such requirements.

Requests for extension of STA may be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.
