Dear Mr. Turaville:

This is to inform you that my company has completed the installation of the directional four-bay broadcast antenna at the WAYQ transmitting site located near Charlotte, Tennessee (North 36-17-36, West 87-18-20) with strict adherence to the written installation instructions published by the antenna's manufacturer and with strict adherence to the requirements of the FCC's construction permit. Middle Tennessee Two-way Incorporated is actively involved in the installation of broadcasting antennas and has over ten years of experience in that field.

Sincerely,

  
John H. Hight  
President
