Re: New TV Translator, Channel 17, Winnemucca, Nevada  
Facility Id. No. 130885  
FCC File No. BNPTT-20000831CGR  
Correction to Supplement

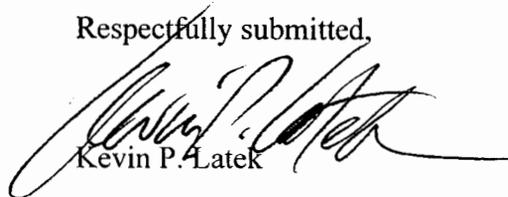

Dear Ms. Salas:

On behalf of KTVU Partnership ("KTVU"), applicant for the new TV Translator to serve Winnemucca, Nevada on Channel 17, we hereby correct the Supplement to the above-listed pending application, which KTVU submitted on August 23, 2001. The Supplement properly identified the FCC file number, applicant name and MX Group of the only application that is mutually exclusive with KTVU's application in MX Group M353. The Supplement, however, improperly identified the channel and community of license of that application.

To clarify, on August 29, 2000, Sunbelt Communications Company ("Sunbelt") filed an application for a new TV Translator on Channel 17 at Winnemucca (FCC File No. BNPTT-20000829ALE) that is mutually exclusive with KTVU's application for Channel 17 at Winnemucca. As stated in the Supplement, KTVU has been notified that Sunbelt will withdraw its Channel 17 at Winnemucca application, which will remove the mutual exclusivity.

Please contact me if you have any questions.

Respectfully submitted,

  
Kevin P. Latek
