Previous Section 73.503 qualifications were granted to WEMC as licensed to the Board of Trustees of Eastern Mennonite College and Seminary. WEMC has been licensed to the institution since 1955.

In 1994, Eastern Mennonite College and Seminary was renamed Eastern Mennonite University (EMU).

Eastern Mennonite University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. The University is certified to operate by the State Council of Higher Education for Virginia.

Our Vision

EMU envisions a learning community marked by academic excellence, creative process, professional competence, and passionate Christian faith, offering healing and hope in our diverse world. To this end, we commit ourselves to: do justice, love mercy, and walk humbly with God.

Our Mission

EMU educates students to live in a global context. Our Anabaptist Christian community challenges students to pursue their life calling through scholarly inquiry, artistic creation, guided practice, and life-changing cross-cultural encounter. We invite each person to experience Christ and follow His call to: witness faithfully, serve compassionately, and walk boldly in the way of nonviolence and peace.

To that end, the mission of WEMC's programming is to foster informed, engaged and culturally-enriched communities.
