

I was onsite during the installation of the PSI PSIFMV-3E-DA 3 Bay Directional Antenna for KCJH FM. I will confirm the antenna was installed correctly per the manufacturer instruction and the guide lines that were provided the Construction Permit. I have been a Broadcast Engineer for over 20 Years and have overseen many directional Antenna Installations. I am SBE certified in my field.

Regards

A handwritten signature in black ink that reads "Tim Parish". The signature is written in a cursive, flowing style with a large initial "T" and a long, sweeping underline.

Tim Parish
