City History

There are conflicting stories as to how Aloha, Oregon came to be called Aloha. One claim by Joseph Buck in 1983 was that his uncle postmaster Julius Buck named the city after a small resort in Wisconsin called Aloah and the last two letters were transposed by the Post Office Department during the application process. This would also explain by the city is pronounced Ah-lowwa rather than Ah-lo-ha. Other sources say the name was chosen by Robery Caples, a railroad worker, with no stated reason for the choice. Still another story presented by Frithjof Tollefsen, a former postmaster of Aloha said the name came about at a dinner party of prominent citizens. When one guest started singing "Aloha Oe" someone suggested to call the town Aloha and Dora Buck, the sister of Julius Buck, submitted the name Aloah.

Background

Intel purchased the land for campus development in 1974 and opened the first Aloha facility, Fab 4, in 1976. Fab 4 has since been decommissioned.

Fab 15, located at the Aloha campus, was subsequently converted from a Flash memory manufacturing facility to a consolidated 300-mm C4/Sort manufacturing and technology development facility. The shift, which involved an investment of \$400 million, saved an outdated facility and Oregon jobs.

Welcome to the 2010 Season!

Aloha Youth Football and Cheerleading provides a competitive tackle football program for students who reside within the Aloha High School attendance area. We are a member association of the **Tualatin Valley Youth Football League**, which serves over 7,000 participants in the Portland area. Our cheerleading squads support the football teams with their cheers at every game.

The **President's Corner** page was last updated on July 30th. Have you checked it out yet? In addition, we have recently updated our Calendar of Events so make sure to check it out!

Practice for EVERYONE starts on Monday, August 9th and will be at Mt. View Middle School

For Cheer, the time will be 6pm to 8pm. For 3/4 and 5/6, practice will be from 5:30pm to 7:30pm. For 7th and 8th grade, practice will be from 6:30pm to 8:30pm.

Make sure to be on time and bring lots of water to keep yourself hydrated!

Did you miss the Equipment Handouts???

If you didn't make it to either of the two equipment handouts, you need to show up to our first Practice on the 9th at 4:30! Matt will be at the equipment shack prior to practice on Monday, the 9th for those that were not able to make it to either of the equipment handouts. He will have the shack open from 4:30 to 6:30 but you will want to show up early to get your equipment so you do not miss practice! Make sure to bring all of your paperwork!

Jamboree Volunteers?

Nanci is in need of volunteers to help make this year's Jamboree an event to remember! Not only will we be having concessions, but also various fun booths and activities that we are in need of volunteers to man. The shifts are broken down into 1 hour increments and she can ensure that you are able to volunteer and not miss your child's play times. If you are interested, please check with Nanci at Practice or email her at villanueva033096@msn.com.

Up for an Outback SteakHouse Meal?

We will be offering a meal prepared by Outback SteakHouse at the Jamboree this year! The meal will be available from 11am to 3:30pm. Click [HERE](#) to view and print out the **Pre-sale Reservation Form**. Pre-sale reservation pricing is only good through August 25th and then the price goes up so make sure to get your reservations in early! Cindy Kingsbury will be available to take your forms and payment at the equipment handout so make sure to print out your form and bring your checkbook!

We need your help!

Anyone up for Golfing?

The Warrior Athletic Club is sponsoring their first annual Golf Tournament in August to raise money to support Aloha High School Athletics. For more information, click [here](#).

A message from Coach Casey, Aloha H.S. Football Head Coach.

Welcome to another year of Aloha Youth Football. Last season our football program as a whole, youth through high school, had a tremendous year. There was great enthusiasm, community spirit, and a true sense of confidence and pride in Aloha football. We must continue doing the same things that got us to where we are at now...which is T.A.P.E.: TOGETHERNESS – putting team above self, ATTITUDE – we will achieve what we believe, PERSEVRANCE – Aloha players are true competitors who get back up every time they get knocked down, and EFFORT – hard work is "who we are and what we do". This upcoming season the life lessons you will learn, the memories and relationships you will make, and the challenge of competition will be well worth the time and effort you will put in. Best wishes during the 2010 Aloha football season.
