Station

INSTRUCTIONS

1. This report is to be filed as follows by noncommercial educational TV, FM or AM broadcast stations (see 4 C.F.R. Section 73.3615):

(a) By licensees with the application for renewal of station license. Licensees with current unamended Ownership Reports on file at the Commission may so indicate on their renewal applications and be relieved of the obligation to file a new Ownership Report.

(b) By licensees or permittees within 30 days, after the consummation pursuant to Commission consent, of a transfer of control or an assignment of license, or the grant of an original construction permit.

(c) By licensees or permittees within 30 days after changes in the information called for by this form.

(d) File one copy with the Federal Communications Commission, Washington, D. C. 20554. If information submitted is equally applicable to each station above listed, one report may be filed for all such stations; otherwise a separate report shall be filed for each station.

(e) This form is to be filled out completely when filed pursuant to (a) and (b) above. When filled out pursuant to (c), changes only need be noted.

2. Any contract or modification of contract relating to the ownership, control, or management of the licensee or permittee must be filed with the Commission, as required by 47 C.F.R. Section 73.3613. Attention is directed to the fact that Section 73.3613 requires the filing of all contracts of the types specified and is not limited to executed contracts but includes options, pledges, and other executory agreements and contracts relating to ownership, control or management.

3. This form should be used to report all types of transactions concerning agreements and voting control.

4. If the licensee or permittee is directly or indirectly controlled by another entity, a separate FCC 323-E should be submitted to report changes in the officers and directors of such entity.

5. This form is not to be used to report or request a transfer of control or assignment of license or construction permit (except to report a transfer of control or assignment of license made pursuant to prior Commission consent). The appropriate forms for use in connection with such transfers or assignments are FCC 314, 315, and 316. It is the prime responsibility of the licensee or permittee to determine whether a given transaction constitutes a transfer of control or an assignment.

6. The official title of the respondent must be an officer of the licensee or permittee corporation or association, or in case of a governmental or public educational agency, a duly authorized administrative representative thereof.
