The Commission reserves the right during said license period of terminating this license or making effective any changes or modification of  
license which may be necessary to comply with any decision of the Commission rendered as a result of any hearing held under the rules of  
Commission prior to the commencement of this license period or any decision rendered as a result of any such hearing which has been disig-  
but not held, prior to the commencement of this license period.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the under-  
s therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this  
e, render such broadcasting service as will serve public interest, convenience, or necessity to the full extent of the privileges herein  
red.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license  
d term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or  
vise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of  
nited States conferred by section 606 of the Communications Act of 1934.
