LOCAL RADIO OWNERSHIP COMPLIANCE

M-10 Broadcasting, Inc.
Pikesville, MD

According to Version 4.5 of the BIA Financial Network's *Media Access Pro* computer software,¹ WVIE is considered to be "home" to the Baltimore, Maryland Arbitron Metro Market. WVIE has attributable common ownership with WCBM(AM) - Baltimore, Maryland, which is also considered to be "home" to the Baltimore market.² Table 5.0 presents a list of the stations which are considered by BIA to be "home" to the Baltimore metro. As shown by this table, 38 stations are considered by BIA to be home to the Baltimore metro market. Based on this information, the continued common ownership of WVIE and WCBM in this metro market will continue to comply with the local radio ownership rules since, in markets containing between 30 and 44 stations, Section 73.3555(a)(1)(ii) of the FCC Rules permits the common ownership of up to seven stations, no more than four of which can be in the same service. The presently commonly owned stations consist of a total of two AM stations, which complies with this limit.

¹The program databases utilized in this analysis were most recently updated on January 4, 2010.

²WVIE does not have attributable common ownership with any other station which is considered to be home to the Baltimore market. Nor does it have principal community contour overlap with any other station with attributable common ownership which is not considered to be home to the Baltimore market.
