Subject: STA 20090407AFP FOR KFPB

Hi Mohammad,

My client has informed me that there is a new problem with the site requested with the above STA. I cannot reach him presently but as soon as I do, I will consult with him and it will likely end up as a new STA request. As a result, I am not forwarding this particular STA for KFPB to James Ballis because I think the technical parameters of the site will be different. I will contact you with the details tomorrow.

Regards,
Greg
