

Engineer's Declaration

I, Mark E. Schmucker, subject to the penalties of perjury, do declare the following

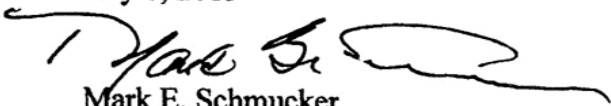

I have held a valid FCC First Class / General Class Radiotelephone license since 1975, and have been associated with the radio broadcast field as a broadcast engineer and chief engineer since 1975.

That Learning Avenue, Inc. retained me for the purpose of preparing the application of the construction permit for WILA-FM, Live Oak, Florida, from which the Federal Communications Commission granted the underlying construction permit BMPED-21041124AQA.

That I am familiar with the terms and conditions of the WILA-FM construction permit.

I hereby certify that the installation of the WILA-FM directional antenna was completed to the manufacturer's instructions.
