

**Certification for KMLU McKee, KY Antenna Installation**

**RE: BMPED-20110629BQP**

October 28, 2011

This is to certify the installation of the ERI directional antenna for KMLU, model number MP-4E-DA, was installed in complete accordance with the manufacturer's detailed instructions.

All work was performed by qualified personnel using good engineering practices and under my direct supervision. Maston Towers Inc. performed all antenna work at this site.

**Certifying engineer qualifications:**
