Re: Pending Motion for Reconsideration

To Whom It May Concern:

Simply Living is the applicant in a Form 314 application for consent to assignment of its Low Power FM license to The Neighborhood Network. In June 2010, Simply Living filed a Petition for Reconsideration of License Reissuance DA 10-763 (1800B3MM) with the Audio Division. That Petition is still pending.

If the Commission approves the transfer request, Simply Living respectfully requests that the transferee, The Neighborhood Network, assume Simply Living's place in the pending Petition for Reconsideration, so that The Neighborhood Network, rather than Simply Living, will become the Petitioner, and will have all rights and obligations formerly held by Simply Living as Petitioner.

By countersigning below, The Neighborhood Network agrees to assume Simply Living's place as Petitioner in the pending Petition for Reconsideration.

Thank you for your attention, and please do not hesitate to contact me if you have questions or concerns.

Sincerely,

Marilyn Welker  
Director

Agreed to by The Neighborhood Network:
