1 Harry J. Pappas, as the sole General Partner, controls 100% of the voting power of the Assignee. The Limited Partners do, however, have the right to vote with respect to certain matters.

2 Assignee has borrowed funds, and intends to make further borrowings of funds, from Fortress Credit Opportunities I, LP, 1251 Avenue of the Americas, New York, NY 10020, or its affiliates (“Fortress”). Fortress is not a program supplier to KDBC-TV, or a holder of an attributable interest in a media outlet in the relevant market, and therefore is not a party to this application. Inclusion of the Fortress debt in any equity/debt plus calculation would merely reduce the percentages in column (5).
