RE: TOWER SITE, ST. MARTIN PARISH

Dear Don Locke,

The purpose of this letter is to inform you that we hereby certify that this office provided a reference point with an azimuth orientation of $265^{\circ}00'00''$ from True North for the antenna placement of tower location Latitude N. $30^{\circ}08'04''$ Longitude W. $91^{\circ}51'46''$ as determined by conventional traverse from NGS monuments.

Should you have any questions or need additional information, please contact this office.

Sincerely,

Darryl Morris
