EXHIBIT 17
Multiple Ownership

As noted in Exhibit 7 hereto, Superior Broadcasting of Denver, LLC (“Superior”), is the licensee of KFVR-FM, La Junta, Colorado. Alta-Superior Holdings, Inc. (“Alta”), is a Class B Preferred Unit Holder of Superior. Through its interests in Commonwealth License Subsidiary, LLC, Alta formerly held attributable interests in KTHN(FM) and KBLJ(AM) in La Junta, Colorado, and KLMR(AM) and KSNZ(FM) in Lamar, Colorado. The application, as originally filed, noted that certain of the signal contours of these stations overlap the signal contour KFVR-FM.

As of February 3, 2004, however, Commonwealth License Subsidiary, LLC consummated its assignment of KTHN(FM) and KBLJ(AM) to CCR-La Junta IV, LLC and its assignment of KLMR(AM) and KSNZ(FM) to CCR-Lamar, LLC. Neither CCR-La Junta IV, LLC nor CCR-Lamar IV, LLC have any attributable interests in Superior. CCR-La Junta IV, LLC and CCR-Lamar IV, LLC, filed the required notices of the consummation of the assignments on February 4, 2004 (*see* FCC File Nos. BAL-20031017ACS, BALH-20031017ACT, BAL-20031017ACU, and BALH-20031017ACV).

With the consummation of the above-described assignments, none of the parties to the application has any interest in any radio station that would overlap the principal community service contour of any radio station licensed to Superior. The parties therefore submit that the application fully complies with the Commission’s multiple ownership rules.
