Dear Licensee:

This letter is to inform you that the Media Bureau's records indicate that the above-referenced station[s] failed to file a 2010 Ancillary and Supplementary Service Report (FCC Form 317). The filing deadline was December 1, 2010. Please file this form no later than **March 1, 2011.** This filing must report whether the station(s) provided ancillary or supplementary services at any time during the twelve-month period ending on September 30, 2010. This filing is mandatory and must be filed even if the station did not provide such services. Your failure to file could result in potential fines or forfeitures.

Section 73.624(g) of the Commission's rules requires licensees and permittees of commercial and noncommercial educational broadcast digital television stations to electronically file Form 317 each year through the Commission's Consolidated Database System (CDBS). CDBS may be reached at http://www.fcc.gov/mb.

If you believe our records are incorrect, or if you have any questions, please contact Shaun Maher at 202-418-1600 or Shaun.Maher@fcc.gov. Thank you for your cooperation with this matter.

Sincerely,

Hossein Hashemzadeh,
Deputy Chief
Video Division
Media Bureau
