

Statement in Compliance with Section 73.3517(e) of the Commission's Rules

The instant application requests Commission consent to a minor change in the licensed facilities of radio station KLEY-FM, Jourdanton, Texas (Facility ID No. 55414). This application is being submitted in connection with a Coordinated Application Agreement (the "Agreement") and as part of a group of applications for facilities changes. (A copy of the Agreement is attached hereto as part of this Exhibit No. 1.)

Pursuant to the terms of the Agreement, BMP San Antonio License Company, L.P., licensee of KLEY-FM, is filing the instant application concurrently with an application being filed by Pearsall Radio Works, Ltd. with respect to radio station KVWG-FM, Pearsall, Texas (Facility ID No. 52047).

Because the facilities proposed for KLEY-FM in the instant application are mutually exclusive with the currently licensed facilities of KVWG(FM), this application cannot be granted unless and until the license for KVWG(FM) is modified. The facilities proposed in the application being filed concurrently herewith by Pearsall Radio Works, Ltd. would, if granted, permit the grant of the instant application with respect to KLEY-FM.
