Re: KPFT(FM), Houston, Texas
Pacifica Foundation, Inc.
Facility Identification Number: 51244
Special Temporary Authority
BESTA-20131125BKQ

Dear Counsel:

This is in reference to the request filed November 25, 2013 on behalf of Pacifica Foundation, Inc. ("PFI"). PFI requests a fourth extension of the special temporary authority ("STA") granted on April 17, 2012, to operate Station KPFT(FM) with reduced power.¹ PFI restates that it found melted metal in the Station KPFT(FM) transmitter and concluded that the system was in danger of imminent failure. PFI indicates that KPFT continues to operate at about 50 kW ERP (half power). Efforts to resolve the remaining problems continue.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Our review indicates that the licensee has made progress toward restoration of licensed operation, but additional time is required for completing the work. Thus, extension of STA is warranted.

¹ Station KPFT(FM) is licensed (File No. BLED-20070209ABQ) for operation on Channel 211C1 (90.1 MHz) with effective radiated power of 100 kilowatts (H&V) and antenna height above average terrain of 205 meters.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KPFT may continue to operate with reduced power. PFI must notify the Commission when licensed operation is restored. PFI must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **May 27, 2014**.

Sincerely,

A handwritten signature in black ink, appearing to read "Dale Bickel". The signature is fluid and cursive, with the first name "Dale" and last name "Bickel" clearly distinguishable.
