**Re: Jonesboro Tower**  
**Jonesboro, AR**

Dear Mr. Caldwell,

This is to certify I have checked the direction of the antenna installed for the above referenced site and have determined it is at a 327° azimuth as per construction permit and the manufacturer's drawing and specifications.

Please call if you have any questions.

Sincerely,

Dennis Sorrell  
Arkansas Land Surveyor No. 847

This is to certify that Dennis Sorrell appeared before me on September 15, 2010.
