* Nexstar Finance, L.L.C. holds 100% of the total equity in Nexstar Broadcasting of Midland-Odessa, L.L.C. ("Nexstar"), but not 100% of the total assets (equity plus debt). Nexstar is a party to a credit agreement which includes a revolving loan. Accordingly, the calculation of the total assets (equity plus debt) of Nexstar is imprecise and depends on the total amount of debt outstanding under the credit agreement. The bank that has issued the credit facility does not, and will not at any time, have an equity and debt interest in excess of 33% of the total asset value of Nexstar. Thus, use of the Commission's EDP analysis is not required for this transaction.

* The partnership agreement of ABRY Capital, L.P. includes the Commission's insulating language for limited partners which are not natural persons. Thus, to the extent that a corporation is a limited partner, such corporation has a non-attributable interest in the Assignee and is not listed here. However, natural persons who are limited partners of ABRY Capital, L.P. do have attributable interests in the Assignee and are listed here.

** The percent of total assets is based on the capital contributions of each partner. Each partner also is entitled to a percentage of profits which is similar, but not necessarily the same, as their percent of capital contributions. The FCC has not clarified the manner in which it requires applicants to calculate an attributable owner's percent of total assets. Because this entity has no debt, there are no multiple ownership issues present in this application involving the Commission's "equity-debt-plus" calculation, and due to the difficulty of calculating the percent of total assets based on a combination of the partners' percent of capital and percent of profits, the percent of total assets reported for these partners is based solely on their capital contributions.
