Dear Mr. Tuteria:

This is in reference to the above-captioned application for WRSO(AM), Orlovista, Florida to move transmitter site.

A preliminary review of the application reveals that the environmental statement is not acceptable. As a result, we recommend that ITV Review the checklist prepared by the Wireless Telecommunications Bureau (see web Page [http://www.fcc.gov/siting/EA\\_Checklist.pdf](http://www.fcc.gov/siting/EA_Checklist.pdf)) to support all environmental statement conclusions.

Further action on the subject application will be withheld for sixty days (60) from the date of this letter in order to provide an opportunity to file a curative electronic amendment. Failure to respond or file an amendment within this time period will result in the dismissal of the application pursuant to Section 73.3568 of the Rules.

Sincerely,

Son Nguyen,  
Supervisory Engineer
