I hereby certify that I have supervised the installation of the KWRX directional antenna system. The tower rigging company and the land surveyor worked at my direction to install the antenna according to the manufacturer's specifications. I certify that the terms and conditions of the KWRX construction permit have been complied with fully.

I am an experienced radio broadcast engineer. I have worked in this capacity for the past 37 years. I have constructed numerous AM and FM broadcast transmitter facilities. I have supervised several FM directional antenna installations. I hold a lifetime General Radiotelephone Operator License, PG-13-6198. My qualifications are a matter of record with the Federal Communications Commission.
