In re: KYOT-FM, Phoenix, AZ
Facility I.D. No. 18648
AMFM Radio Licenses, LLC
BMLH-19950925KC

Dear Licensee:

In accordance with procedures adopted by the Commission, this letter constitutes notification to AMFM Radio Licenses, LLC ("ARL") of the filing of a minor change construction permit application (BPL-20101207ABH) by Scottsdale Italian Social Club ("SISC"), licensee of station KWSS-LP, Scottsdale, AZ. SISC's application proposes to operate on Channel 240L1 and create a second-adjacent channel short-spacing to KYOT-FM.

The staff has tentatively concluded that the SISC application meets the requirements outlined in the *Third Report & Order* in MM Docket 99-25 and is otherwise acceptable for filing.¹ Accordingly, IT IS ORDERED, that pursuant to Section 316(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 316(a), and pursuant to Section 1.87 of the Commission's Rules, ARL, licensee of Station KYOT-FM, SHALL SHOW CAUSE why the modification of KWSS-LP to operate on Channel 240 and allow a second-adjacent channel short-spacing to KYOT-FM is not in the public interest. ARL may, not later than 30 days from the date of this letter, file a written statement showing with particularity why the respective facility should not be modified as proposed in this *Order to Show Cause*. If no written statement is filed by the date referred to above, the respective licensee will be deemed to have consented to the modification as proposed in this *Order to Show Cause* and we will issue an STA for the proposed LPFM station modification.

¹ In order to be considered in compliance, there must not be an alternate, fully-spaced, and rule-compliant channel available for the LPFM station.

Further action on SISC's application will be withheld for thirty days from the date of this letter to provide an opportunity to reply. Please note that responses must be submitted to the Secretary of the Commission in triplicate and must be served on all parties.

Sincerely,

Edna V. Prado
Supervisory Engineer
