

### DECLARATION OF BILL TRAUE REGARDING KNFL RADIO

BILL TRAUE, under penalty of perjury, hereby states:

1. I am an engineering consultant in Idaho Falls, Idaho.
2. I have served for many years as an engineering consultant to multiple radio stations,  
including AM radio station KNFL, facility number 129784, located in Tremonton, Utah.
3. I was engaged by Wayne Klein, Receiver for KNFL, to put the station back on the air after it  
had been taken off the air on December 17, 2008.
4. At 10:20 a.m. Mountain Time, on December 17, 2009, I turned on the broadcast transmitter  
of KNFL. As of the date of this declaration, the station continues to remain on air.
5. During this time, the station broadcast the station identifications at the required times.

I certify under penalty of perjury that this information is accurate.

DATED This 18th day of December, 2009.

Bill Traue
