To Whom It May Concern,

This is to certify that Donald S. Miller, a North Carolina State Professional Land Surveyor (PLS-1257) visited the WRYN radio tower (coordinates: 35-41-23/81-25-16) located at 4543 Rudisill Street, Hickory, NC 28602 and verified that the antenna was oriented to an azimuth of 347 degrees from a True Meridian as determined by field observation of existing tower.

Sincerely,

Donald S. Miller

President

Miller Surveying, Inc.
