In re: Low Power Television Application of:
Nexstar Broadcasting, Inc.
Channel 6, Sheridan, ETC., WY.
File number BPTVL-20100317ABJ
Facility Id No.:60161

Dear Applicant:

We have received your amendment reply with letters of no objection to the grant of the above referenced proposal from the licensee's of stations K06AA and K06JU; however our current engineering review reveals that your proposed facility still does not comply with the Commission's interference rules. Specifically, the proposal is currently predicted to cause interference to the following facilities:

1. K06JM – Gillette, WY. – BLTVA-20031223ACO

You are hereby given the opportunity to file a minor amendment to resolve the specified interference problem within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
Associate Chief
