Re: Low Power Television Application of:  
Millard County  
Channel 35, Scipio, UT  
File number: BPD TT-20100519ABC  
Facility Id No.: 167930

Hossein,

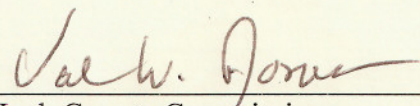

Juab County has application for a new facility 182151 for Nephi, UT.  
(BNPD TT-20090825BDM)

Juab County is also aware that Millard County has an application on file  
(BPD TT-20100519ABC) facility ID 167930 which shows interference to  
our new proposed facility 182151 to serve Nephi, UT.

Because of several issues, including Mountain Terrain shielding, Juab  
County does not expect the proposed Millard County application, facility  
ID 167930, to interfere with Juab County's new application of facility ID  
182151 to serve Nephi, Utah. Juab County will accept any interference  
that may occur.

We therefore, have no objection, to the granting of the present application  
from Millard County's channel 35 application, file number BPD TT-  
20100519ABC, facility ID 167930.

Respectfully,

  
\_\_\_\_\_  
Juab County Commissioner
