Mr. Hashemzadeh:

The University of Utah is the licensee of K41KA-D and K43KL-D at the Panguitch, Utah TV Translator site.

Garfield County is currently making application for an increase in power to the following digital translators at the Panguitch, Utah site: K38KF-D, K39JG-D, K40JL-D, K44IU-D, and K46JI-D.

The University of Utah will also be making application for an equal increase in power to K41KA-D and K43KL-D.

The University of Utah is working with Garfield County to accomplish this digital translator power increase at the Panguitch, Utah site and therefore accepts any interference that may occur with this change.
