

## **Agreement**

**Radio Assist Ministry, Inc. (RAM), Edgewater Broadcasting, Inc. (EB) and JRD Inc. (JRD)** hereby agree as follows:

1. RAM will assign the license for FM translator station W271AM, subject to the prior approval of the FCC, to JRD.
2. RAM will provide the transmit antenna for the W271AM build with the specific purpose of diplexing W286AQ with W271AM in the future as further clarified below.
3. JRD will provide all other equipment including the transmitter, receiver, and the transmission line & coax for the W271AM build.
4. JRD will enter into a lease and/or secure permission for W271AM to collocate with W286AQ or any other tower JRD chooses to locate W271AM on.
5. JRD will install the W271AM transmitter, receiver, antenna and all other equipment for the W271AM build, at the direction of RAM, at the expense of JRD.
6. If EB determines that diplexing W286AQ and W271AM is advisable, in its sole discretion, and the Commission grants a construction permit authorizing EB to collocate W286AQ with W271AM, JRD will diplex the signal of W286AQ at the then current W271AM site at no charge to RAM and/or EB.
7. In the interim, or if EB is unable to obtain FCC approval as provided in Paragraph 6 above, JRD will allow EB to operate W286AQ from the current Warrior Broadcasting site, ASRN 1037279. JRD will attach such permission for W286AQ to locate on ASRN 1037279 to this agreement as exhibit "A".
8. If EB chooses to collocate W286AQ with W271AM, on whichever tower W271AM is currently on, JRD will make all reasonable effort to assist EB in this transition including installation of RAM and/or EB's equipment.
9. If EB chooses to collocate W286AQ with W271AM, EB will provide the combining equipment for W286AQ and W271AM to utilize the same transmit antenna.
10. EB will also provide the transmitter, antenna and transmission line for the W286AQ current installation on the Warrior Broadcasting site, ASRN 1037279 or for the build, if and when EB chooses to diplex with W271AM.
11. JRD will install the equipment for W286AQ on the Warrior Broadcasting site at the direction of EB, at the expense of JRD.
12. No monetary compensation is a part of this agreement.
13. In the event JRD is no longer able to continue to provide either of the now current sites in this agreement due to natural disaster, bankruptcy or change in regulation or law, the following shall apply: In the event JRD is able to locate an alternate site for W271AM, EB may, subject to Commission authorization, diplex W286AQ with W271AM and operate from the new site under the remaining provisions of this agreement. If the W271AM license expires, then this agreement shall terminate.
14. The term of this agreement will be for three (3) years from the date EB begins broadcast with its own or assigned programming. Unless this agreement is

terminated as per section 13 above, this agreement shall be extended for an additional two (2) three (3) year periods.

15. This agreement is subject to the laws of the State of Alabama.

16. This is the entire agreement.
