

REQUEST FOR GRANTS/DIVESTMENTS/CONSTRUCTION
SCHEDULE

Presently pending before the Commission is an application (File No. BPH-20050907AAB) to modify the license of Radio Station WXOT(FM), Mount Union, Pennsylvania to change community of license to Centre Hall, Pennsylvania and change transmitter site, etc. The licensee, Megahertz Licenses, LLC, is commonly owned with Forever of PA, LLC, licensee of Radio Station WLTS(FM), State College, Pennsylvania. Pursuant to Section 73.3555 of the Commission's Rules, it would be necessary for Forever of PA, LLC to divest itself of Radio Station WLTS(FM) prior to the implementation of program test authority for the instant application for construction permit for WXOT(FM).

On June 8, 2005, an application (BALH-20050608ABQ) was filed to assign the license of Radio Station WLTS(FM), from Forever of PA, LLC, to 2510 Licenses, LLC. This application was granted by the Commission on November 2, 2005.

In light of the forgoing, the applicant respectfully requests that the Commission grant the instant application for construction permit for WXOT(FM) conditioned that the permittee cannot implement automatic program test authority until a consummation notice has been filed at the Commission formally notifying the Commission of the divestment of Radio Station WLTS(FM), State College, Pennsylvania from Forever of PA, LLC to 2510 Licenses, LLC. Consequently, WXOT(FM) will not initiate broadcast in the State College, PA market until WLTS(FM), State College, is divested from Forever of PA, LLC.
