Exhibit 14
Wadsworth, OH

No Affected Channel 6
Compliance with 47 C.F.R. 74.105

Distance between proposed operation and nearby Channel 6 TV facilities.

47 C.F.R. 74.105(a) requires a minimum separation of 134 km for a channel 214 operation. As seen in the station search table of exhibit 13, there are no facilities within this 134km distance that need to be considered.

Therefore, since there are no affected Channel 6 TV facilities then, the proposed operation is in compliance with 47 C.F.R. 73.525.
