

MULTIPLE OWNERSHIP EXHIBIT

According to the attached BIA/Kelsey Media Access Pro database, there are 43 full power commercial and noncommercial radio broadcast stations that serve the Syracuse, New York market. In accordance with Section 73.3555(a)(1)(ii) of the Commission's rules, in markets with between 30 and 44 full-power commercial and non-commercial radio stations, a person or entity may have a cognizable interest in no more than seven radio stations, with not more than four stations in the same service. Galaxy Syracuse Licensee LLC ("Galaxy") currently owns five FM and three AM stations in the Syracuse metro. Galaxy's interest in five FM stations in the Syracuse market is grandfathered in accordance with Note 4 to Rule 73.3555. *See In re 2002 Biennial Regulatory Review – Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, 18 FCC Rcd 13620 (2003).

On June 25, 2013, Galaxy filed two applications on FCC Form 314 requesting consent to assign the licenses of its Syracuse stations. The first application proposes to assign the licenses for all of Galaxy's stations, including Station WTKV, except WZUN(FM), to a new entity, Galaxy Syracuse Licensee LLC ("New Galaxy Syracuse"), a Delaware limited liability company that will be controlled by Galaxy principal, Edward Levine (FCC File No. BALH-20130625ABN). To ensure compliance with the FCC's multiple ownership rules, Galaxy has proposed to assign the license of Stations WZUN to WZUN Communications LLC, an independent entity in which no person or entity with an attributable interest in Galaxy or New Galaxy Syracuse will hold any interest (FCC File No. BALH-20130625ABJ).

With the sale of station WZUN to a third party, New Galaxy Syracuse would be the licensee of three AM stations and four FM stations in the Syracuse markets in compliance with Rule 73.3555(a). The WZUN and Galaxy Syracuse assignments will be consummated simultaneously. Galaxy acknowledges that the instant minor modification application cannot be granted until the transactions underlying the assignment applications for WZUN and Galaxy's other Syracuse station are consummated, but respectfully requests that the instant modification application be processed concurrently with the assignment applications.
