Re: New Antenna atop Signal Mountain, Tennessee

Dear Mr. Schwartz:

Upon installation of WDOF's new antenna, our firm, Hopkins Surveying Group, Inc., aligned the antennas on your tower atop Signal Mountain. The orientation was 133 degrees True Azimuth. The orientation was 133 degrees True Azimuth.

Certainly, if there are any questions concerning this matter, please contact me at (423) 267-3751.

Sincerely,

David L. Hopkins, Jr.
