Post-Consummation Ownership Information for Cumulus Media Inc.¹

As explained in Exhibit 6 to this application, subject to the terms of the Merger Agreement, each holder of Citadel Class A Common Stock or Citadel Class B Common Stock will have the right to receive (1) \$37.00 in cash, (2) 8.525 shares of CMI Class A Common Stock, or (3) a combination of cash and CMI Class A Common Stock for each share of Citadel stock. Holders of warrants for Citadel Class B Common Stock may elect prior to closing to have their warrants become exercisable for either cash, CMI Class A Common Stock, or a combination of cash and CMI Class A Common Stock. If no election is made, all Citadel warrants will be converted as of the closing into the right to receive cash, CMI Class A Common Stock, or a combination of cash and CMI Class A Common Stock in accordance with the provisions applicable to holders of Citadel Class A Common Stock and Citadel Class B Common Stock. The right of Citadel stockholders and warrant holders to receive cash and/or CMI Class A Common Stock is subject to certain caps in the Merger Agreement on the number of CMI Class A Common Stock shares that can be issued and on the amount of cash that can be distributed. Those caps preclude any definitive determination prior to closing on how many shares of CMI Class A Common Stock will be distributed to Citadel stockholders and warrant holders. Appended to Exhibit 6 as Attachment B are *pro forma* depictions which reflect the range of CMI Class A Common Stock that can be given to Citadel stockholders and warrant holders.²

In addition to the holders of Citadel Common Stock and Citadel warrants, shares of CMI Class A Common Stock will be distributed to the following new investors: (1) Crestview Radio Investors, LLC ("Crestview") based upon its investment of between \$225 million and \$250 million; (2) MIHI LLC will acquire warrants for CMI Class B Common Stock or Preferred Stock (neither of which has voting rights) in exchange for \$80 million and be entitled to

¹ The Class A Common Stock of CMI, which includes voting rights, is publicly-traded and is held by, among others, various investment companies, insurance companies, or other institutional investors. To CMI's knowledge, except as set forth in the following tables, all of these institutional investors hold less than 20% of CMI's Class A Common Stock, and none of them has any influence, either directly or indirectly, over the management or operation of CMI or its subsidiaries. With the exception of DBBC, L.L.C., B.A. Capital Company, L.P., and Banc of America Capital Investors SBIC, L.P., each of which holds less than 5% of CMI Class A Common Stock, none of CMI's officers or directors is associated with any of those institutional investors. All of the Class C Common Stock of CMI, which is not publicly traded, is held by Lewis W. Dickey, Jr. Each share of Class C Common Stock has ten (10) votes.

² To CMI's knowledge, no individual party holds more than 4.99% of Citadel Class A Common Voting Stock, and, to that extent, CMI has no basis for concluding that any existing Citadel shareholder will hold more than 4.99% of CMI Class A Common Stock upon consummation of the merger. However, under the Merger Agreement, holders of Citadel's non-voting Class B Common Stock (as well as holders of warrants for Citadel's non-voting Class B Common Stock) can elect to acquire CMI's Class A Common Stock. CMI does not have any information concerning the current holders of Citadel Class B Common Stock or parties who hold warrants for Citadel Class B Common Stock. Even if that information were known, it would be impossible to determine now whether the holders of Citadel Class B Common Stock or holders of warrants for Citadel Class B Common Stock will elect to acquire shares of CMI Class A Common Stock that would exceed 4.99% in any one instance.

syndicate to third parties (the “Macquarie Investors”) up to \$45 million of CMI Class A Common Stock, and (3) UBS Securities LLC will be entitled to syndicate to third parties (the “UBS Investors”) up to \$125 million of CMI Class A Common Stock.³ In no event will any Macquarie Investor or UBS Investor be allowed to receive more than 4.99% of CMI Class A Common Stock.⁴ The precise amount of CMI Class A Common Stock to be distributed to Crestview, the Macquarie Investors, and the UBS Investors will not be known until sometime shortly before consummation of the proposed merger. The range of the CMI Class A Common Stock that can be distributed to the new investors is reflected in Attachment B to Exhibit 6.⁵

As demonstrated in Attachment B to Exhibit 6, there will be a transfer of control of CMI regardless of the number of shares of CMI Class A Common Stock ultimately issued to the parties identified above because, after consummation of the Merger Agreement, the current holders of CMI voting stock (Class A Common Stock and Class C Common Stock) will control less than 50% of the voting securities of CMI. The former holders of Citadel Common Stock and Citadel warrants, Crestview, the Macquarie Investors, and the UBS Investors will hold a sufficient number of Class A Common Stock to control more than 50% of the voting securities of CMI (even after accounting for CMI Class C Common Stock).

In providing information in this exhibit, it is assumed that the proposed transferees will hold the maximum number of shares of CMI Class A Common Stock that can be distributed under the Merger Agreement.

³ Macquarie cannot acquire CMI Class A or Class B Common Stock in its own name; it can only acquire warrants for non-voting Class B Common Stock or non-voting Preferred Stock. UBS Securities LLC can only acquire warrants for Class B Common Stock in its own name.

⁴ Parties who are aliens will only be entitled to acquire warrants for non-voting CMI Class B Common Stock.

⁵ Attachment B also reflects the CMI Class A Common Stock that will be distributed prior to closing to Blackstone FC Communications Partners, L.P., Blackstone Communications, FCC L.L.C., Blackstone FC Capital Partners IV L.P., Blackstone FC Capital Partners IV-A L.P., Blackstone Family FCC L.L.C., and Blackstone Participation FCC L.L.C. in conjunction with the consummation of the transfer of control of CMP.

⁶ Unless otherwise indicated in this exhibit, this column sets forth information with respect to equity holdings only and does not include debt. The amount of CMI's outstanding debt constantly fluctuates. No party providing debt financing to CMI (or any party under common control with the debt provider) holds an attributable interest in CMI or any party under common control with CMI. Consequently, providing information as to debt holdings would have no bearing on the identification of parties with attributable interests in CMI. To the extent such information relating to debt were included, it would merely reduce the percentages of certain parties in this column in the total enterprise value of CMI.
