Statement of Educational Purpose and Programming

Radio Seaway, Inc. (RSI) is a for-profit subsidiary of ideastream, a non-profit organization that applies the power of media to education, culture and citizenship. ideastream is the licensee of noncommercial educational Stations WVIZ(TV) and WCPN (FM) and also operates educational and public service cable channels, and distributes services through broadband interactive video distance learning, the Internet and other interactive media. Through a simultaneously filed application for transfer of control, RSI seeks authority to convert to an Ohio non-profit organization. ideastream, currently the sole shareholder of RSI, will become its sole member, and the current Board of Directors and Officers will remain the same. Though this application, RSI seeks the conversion of Station WCLV to noncommercial status.

History and Background

Established in 1962, WCLV has gained an international reputation as a leading classical music broadcaster and producer and distributor of culturally oriented programming. The continuance of WCLV's classical music programming has been assured by a multi-step process that moved the station's transmission from 95.5 FM to 104.9 FM on July 3, 2001. On November 1, 2001, WCLV was gifted to the non-profit WCLV Foundation, which was designed to guarantee the station's classical music format far into the future. In November of 2003, WCLV began annual distribution of a portion of the station's profits to five major Cleveland arts organizations: The Cleveland Orchestra, The Cleveland Institute of Music, The Cleveland Museum of Art, The Cleveland Foundation and The Cleveland Playhouse. In 2006, ideastream, northeast Ohio's public broadcasting organization, was added to the list.

The next phase in WCLV's life took place early in December, 2010, when the station moved its facilities from Radio Ranch, where operations had been since 1986, to new quarters in the Idea Center on Playhouse Square in downtown Cleveland. There, WCLV is neighbor and partner with ideastream's noncommercial educational Stations WVIZ (TV) and WCPN(FM). WCLV now has access to ideastream's performance studios and other facilities and is involved in developing co-operative programming projects. In October, 2011, the stock of WCLV's corporation, RSI, was donated to ideastream, which began operating WCLV as a noncommercial radio station on January 1, 2013. Through this application, RSI seeks formal noncommercial status for WCLV.

Educational Purposes

The restated Articles of Incorporation for RSI which will be filed with the Ohio Secretary of State following FCC grant of this application will convert RSI from a for-profit entity to a nonprofit entity. It will be specifically authorized to operate under Ohio's Nonprofit Corporation Law (Chapter 1702), including the operation of radio stations.

Educational Programming

In 1965, WCLV began the Cleveland Orchestra radio broadcasts, now heard twice weekly at 104.9 and distributed world-wide. WCLV was one of the first FM-only commercial stations to carry the Metropolitan Opera live from New York. In 1969, the station became the anchor station for the weekly City Club Forum broadcasts, and in 1980, it began national distribution of this significant series, which continued until December 2011. Other programs of note produced by WCLV for local broadcast and national distribution include Weekend Radio and selected concerts by Apollo's Fire.

Local live broadcasts by WCLV include a series of CIM Live programs from the Cleveland Institute of Music, wall-to-wall coverage of the tri-annual Cleveland International Piano Competition, broadcasts from Baldwin-Wallace College, Cleveland State University and Oberlin College. Delayed-live broadcasts by the Cleveland Orchestra Youth Orchestra, Apollo's Fire - the Cleveland Baroque Orchestra, and City Music Cleveland are also presented.

In addition to its highly regarded musical programs, WCLV keeps its audience informed with four daily broadcasts of the BBC World Service News and local news reports at 7:00 and 7:30 AM, 12:06 PM and 5:00 and 5:30 PM.
