

TECHNICAL STATEMENT
RADIO MULTIPLE OWNERSHIP ANALYSIS
JACOR BROADCASTING OF COLORADO, INC.

This statement and the attached figures were prepared on behalf of Jacor Broadcasting Of Colorado, Inc. ("JCOR"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). JCOR proposes to modify the facilities of KPAW(FM), Fort Collins, CO. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.¹

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.³

Subject to proposed assignments,⁴ CCC will not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of KPAW(FM) as proposed, or which is located in the same Arbitron Metro⁵ as KPAW(FM). The community of license of KPAW(FM) is located within the Ft. Collins-Greeley, CO Arbitron Metro, and KPAW(FM) is reported by BIA as being "Home" to that Metro only. Contour overlap of the station to be modified also occurs with a

⁴ Applications for FCC consent to the assignment of the following CCC stations are pending before the Commission: KCGY(FM), Laramie, WY (Facility ID No. 14753), KIGN(FM), Burns, WY (Facility ID No. 56234), KLEN(FM), Cheyenne, WY (Facility ID No. 5991), KGAB(AM), Orchard Valley, WY (Facility ID No. 30224), and KOWB(AM), Laramie, WY (Facility ID No. 24700). The modification proposed here would not be implemented until the sale of these stations is consummated.

⁵ A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

commonly-owned station whose community of license is located in the nearby Cheyenne, WY Arbitron Metro market.

Arbitron Market Study

KPAW(FM) is reported by BIA as being "Home" to the Ft. Collins-Greeley, CO Arbitron Metro. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Interim Contour-Overlap Analysis

Because the principal community of the station to be modified, and, subject to proposed assignments,⁷ the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified are located within an Arbitron Metro, an interim contour-overlap analysis is not required.

Conclusions

In the Arbitron Metro market studied herein, there are at least 24 radio stations, including the subject commonly-owned 2-AM / 3-FM stations, which are home to the Ft. Collins-Greeley, CO Metro. This proposal does not affect the existing number of commonly-owned stations in the subject Arbitron Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,
