KSZZ(AM), San Bernardino, CA  
Facility ID 58808  
Purchase By SCA License Corporation

The attached map shows the contours of KSZZ(AM) and stations in the same geographic area as KSZZ(AM) which are licensed to SCA License Corporation and its affiliates. As demonstrated on the map, the only commonly owned station whose contour overlaps KSZZ(AM)'s contour is KEZY(AM), San Bernardino, CA.

There are six commercial AM and FM stations licensed to San Bernardino, CA. In addition to KSZZ(AM) and KEZY(AM), there are: KEWS(AM), KKDD(AM), KFRG(AM), and KOLA(FM). Pursuant to Section 73.3555(a) of the Commission's multiple ownership rules, even in the smallest radio market, commonly owned entities may own up to three radio stations in the same service and up to 50% of the stations in the market (maximum of five stations). Taking into account just these six stations, SCA License Corporation and its affiliates could own three radio stations, including three AM stations. Thus, common ownership of KSZZ(AM) and KEZY(AM) would comply with the Commission's multiple ownership rules.
