

**AFFIDAVIT**

I, John H. Garabedian, do affirm that:

1. I have been engaged professionally in the construction and installation of broadcast facilities and the preparation of broadcast applications before the FCC since 1964.
2. That I am the holder of a FCC 1<sup>st</sup> Class/General Class FCC license since 1959.
3. That I am familiar with the installation of FM directional antennas and that I worked with Eldridge Survey & Engineering, Inc., in determining the proper orientation of the directional antenna.
4. That I directed the installation of the 2 bay antenna and transmitter of radio station WFRQ, Harwich Port, MA, for licensee CodComm, Inc., and that the station was constructed in accordance with standards of good engineering practice, the transmitter and antenna manufacturer instructions, the specifications of the WFRQ Construction Permit, BPH-20120716ADH, and the Commission's Rules and Regulations.
5. I further declare, under penalty of perjury, that the statements contained herein are true and correct to the best of my knowledge.
